*Timeship Earth 2013  
Born of the Dragon  
Taught by the Monkey  
Set in flight by the Moon*

JUST AS THE FALCON ENTERING ITS GYRE HENCEFORTH SPINS WITHOUT TURNING BACK, SO ONCE A PLANETARY KIN HAS ENTERED THE MAGNETIC DRAGON GATE OF THE CASTLE OF TURNING, THERE IS NO TURNING BACK, ONLY TURNING AND TURNING AGAIN THROUGH THE ENDLESS AND INFINITE CASTLE SPIRES OF THE MIGHTY TIMESHIP EARTH 2013.

TIMESHIP EARTH. FIVE MAJESTIC CASTLES OF FATHOMLESS SPLENDOR BOUND INTO ONE BY THE SPIRALING GYRE-LIKE PATH OF THE DREAMSPELL GENESIS. NOT ONCE, NOT TWICE, BUT THRICE WAS THIS GENESIS ORIGINATED.

BY THE DRAGON BORN, THE TWENTY SOLAR TRIBES OF THE PLANETARY KIN APPEARED ON TIMESHIP EARTH. BY THE MONKEY TAUGHT, THE PLANETARY KIN LEARNED THE MAGIC OF THE THIRTEEN MOONS THAT GUIDE TIMESHIP EARTH. SET IN FLIGHT BY THE MOON, THE DESTINY OF THE PLANETARY KIN IS THE GALACTIC LAUNCHING OF TIMESHIP EARTH.

TIMESHIP EARTH. FIVE CASTLES EVER REVOLVING TOGETHER IN THE DREAMSPELL GENESIS OF TIME. A RED CASTLE TO THE EAST, A WHITE CASTLE TO THE NORTH, A BLUE CASTLE TO THE WEST, A YELLOW CASTLE TO THE SOUTH, AND A GREEN ENCHANTED CASTLE IN THE CENTER. EACH CASTLE IS ENTERED BY FOUR MAGNETIC GATES.

FOR EACH CASTLE A RED MAGNETIC GATE UNLOCKS THE EASTERN CASTLE QUARTER; A WHITE MAGNETIC GATE UNLOCKS THE NORTHERN CASTLE QUARTER; A BLUE MAGNETIC GATE UNLOCKS THE WESTERN CASTLE QUARTER; A YELLOW MAGNETIC GATE UNLOCKS THE SOUTHERN CASTLE QUARTER.

EACH CASTLE QUARTER IS A WAVESPELL OF THIRTEEN STEPS. EACH CASTLE WAVESPELL IS FORMED BY TWO GATES, TWO TOWERS, AND NINE CHAMBERS. FIVE CASTLES OF FOUR WAVESPELLS EACH, TWENTY WAVESPELLS IN ALL.

EACH OF THE TWENTY WAVESPELLS OF THE MIGHTY TIMESHIP EARTH ACCOUNTS FOR THIRTEEN CENTURIES BY HUMAN RECKONING. FOUR MAGNETIC GATES, FOUR WAVESPELLS IN ALL, EACH CASTLE ACCOUNTS FOR FIFTY-TWO STEPS OR FIFTY-TWO DREAMSPELL CENTURIES.

DREAMSPELL, THE RETURN OF THE TWENTY SOLAR TRIBES FOLLOWING THE THIRTEEN MOONS THROUGH TIMESHIP EARTH 2013. THREE DREAMSPELL GENESES. FIVE CASTLES. TWENTY WAVESPELLS. 260 STEPS. 260 DREAMSPELL CENTURIES CAST.

SO IT WAS ALMOST 260 CENTURIES, 26,000 YEARS AGO, THAT TIMESHIP EARTH ENTERED ITS FIRST GENESIS, THE DRAGON GENESIS OF THE PRIMAL DREAMSPELL. WOVEN BY THE DRAGON INTO THE EARTH THE HUMAN DREAMSPELL JOURNEY HAD BEGUN. THE RED EASTERN CASTLE OF TURNING HAD BEEN ENTERED. THE FIRST OF THE MIGHTY WAVESPELLS WAS CAST.

FIRST CAME THE THIRTEEN CENTURY DRAGON WAVESPELL, FOLLOWED BY THE THIRTEEN CENTURY WIZARD WAVESPELL. THOUGH MUCH OF THE EARTH WAS COVERED IN SNOW AND ICE, THE DRAGON NURTURED ALL, GAVE TO EVERYONE A PLACE OF KIN WITHIN THE DRAGON WAVESPELL DOME OF BIRTH.

THE DRAGON WAVESPELL CAST, WIZARD APPEARED AND ENCHANTED ALL. WITHIN THE RED CASTLE OF TURNING EVERYONE GREW IN POWER AND TIMELESSNESS. FROM WIZARD'S ENCHANTMENT CAME THE KNOWING THAT OPENS THE THIRD MAGNETIC GATE. THE HAND WAVESPELL CAST THE POWER OF HEALING, A SHADOW BLAZE OF BURNING BLUE UPON THE WALLS OF THE DREAMSPELL CASTLE OF TURNING.

THEN FROM THE HEALING KNOWLEDGE OF THE HAND WAVESPELL, ARRIVED THE FOURTH MAGNETIC GATE OF THE CASTLE OF TURNING. THE SUN WAVESPELL CAME TO BE KNOWN IN ALL ITS MIGHT. AT LAST WAS CAST THE WAVESPELL OF UNIVERSAL FIRE THAT THE HEARTS OF ALL MIGHT KNOW THE SOURCE OF HEAT AND LIFE.

DESPITE THE ICE AGE MANTLE WORN BY PLANET EARTH, WITH THE SUN WAVESPELL, THE EASTERN CASTLE OF TURNING WAS COMPLETE. FIFTY-TWO CENTURIES OF THE PRIMAL DREAMSPELL HAD PASSED NOW THE TIME HAD COME TO ENTER THE NORTHERN CASTLE OF CROSSING.

WHILE THE CASTLE OF TURNING GLOWS WITH A WARM, LIQUID, DAWN RED AURA, THE CASTLE OF CROSSING RISES WHITE, AUSTERE, MAJESTIC BEYOND BELIEF. TO COMPLETE IS ICE AGE JOURNEY, TIMESHIP EARTH NOW HAD TO TRAVEL TO GALACTIC NORTH, AND THERE CONSTRUCT THE CASTLE OF CROSSING.

TO PREPARE FOR THE CROSSING, SKYWALKER CAME FIRST TO CAST THE FIFTH WAVESPELL OF SPACE UNBOUND, WHERE ALL THE KIN ARE FREE TO EXPLORE. THEN ARRIVED WORLD-BRIDGER, THE DEATHLESS ONE, CASTING THE WAVESPELL THAT CROSSES ALL FROM DEATH TO THE ENCHANTED REALM.

HAVING ESTABLISHED THE WAVESPELL OF SPACE AND THE WAVESPELL OF DEATH, NEXT WAS CAST THE BURNING BLUE WAVESPELL OF STORM, CREATING A UNIVERSAL STOREHOUSE OF SELF-GENERATION.

WHEN THE FIRST THREE MAGNETIC GATES OF THE CASTLE OF CROSSING WERE COMPLETED, THEN CAME THE FOURTH GATE. HUMAN ARRIVED CASTING THE WAVESPELL OF FREE WILL. SO WERE COMPLETED THE NEXT FIFTY-TWO STEPS OF TIMESHIP EARTH, FIFTY-TWO CENTURIES IN WHICH WERE CREATED THE FOUR GREAT UNIVERSAL STOREHOUSES OF SPACE, DEATH, SELF-GENERATION AND FREE WILL. EVEN UNTO THIS TIME NO WARRIOR JOURNEY CAN OCCUR WITHOUT SAFE PASSAGE THROUGH THE NORTHERN WHITE CASTLE OF CROSSING.

TWO CASTLES HAD BEEN COMPLETED, ONE HUNDRED FOUR STEPS, ONE HUNDRED FOUR DREAMSPELL CENTURIES, TEN THOUSAND FOUR HUNDRED EARTH YEARS HAD GONE BY. THE ICE AGE WANING, HER CARGO OF PLANETARY KIN GROWING IN MUTUAL LOVE, KNOWLEDGE AND POWER, THE MIGHTY TIMESHIP EARTH WAS NOW READY TO RECEIVE THE WESTERN BLUE CASTLE OF BURNING. EQUIPPED WITH THE FIRST TWO CASTLE POWERS OF BIRTH AND DEATH, THE CASTLE POWER OF MAGIC WAS READIED FOR TIMESHIP EARTH.

TO PREPARE FOR THE MAGIC, FIRST SERPENT CAST THE WAVESPELL OF LIFE FORCE. FOR THIRTEEN STEPS THE LIFE FORCE CLIMBED ITS WAY THROUGH THE FIRST QUARTER OF THE CASTLE OF BURNING. THEN ARRIVED MIRROR CASTING ITS PERFECT WAVESPELL OF ENDLESSNESS. AND IN THE SHIMMERING WHITE GATE OF THE COSMIC DOG, THE THIRTEENTH STEP OF THE MIRROR WAVESPELL, THE DRAGON GENESIS FULFILLED ITSELF.

THERE IN THE MIDDLE OF THE CASTLE OF BURNING, THE POWER OF MAGIC STRUCK WITH A THUNDEROUS FORCE. ONE HUNDRED THIRTY STEPS, ONE HUNDRED THIRTY DREAMSPELL CENTURIES, THIRTEEN THOUSAND EARTH YEARS HAD PASSED. SHATTERED AND GONE WAS THE PRIMAL DREAMSPELL DRAGON GENESIS. ARISING JUST AS SUDDENLY WAS THE MATRIX DREAMSPELL OF MAGIC, SIX WAVESPELLS, SEVENTY-EIGHT STEPS, SEVENTY-EIGHT DREAMSPELL CENTURIES OF THE MONKEY GENESIS.

GONE WAS THE ICE AGE. EQUIPPED WITH THE POWER OF TEN WAVESPELLS, THE PLANETARY KIN OPENED THE GATES TO THE ELEVENTH WAVESPELL OF MAGIC AND INAUGURATED THE MONKEY GENESIS. THROUGH THE THIRTEEN STEPS OF THE MONKEY WAVESPELL THE KIN OF TIMESHIP EARTH LEARNED THE WEAVING OF THE THIRTEEN MOONS THAT CREATE THE DREAMSPELL GARDEN.

THEN THROUGH THE FOURTH GATE OF THE BLUE CASTLE OF BURNING ARRIVED THE SEED WAVESPELL CASTING THE POWER OF FLOWERING. THE MAGIC BRILLIANCE OF THE THIRTEEN MOONS WOVE ITS MONKEY GENESIS SPELL ACROSS THE HUMAN GARDEN.

COMPLETE NOW WERE THE FIFTY-TWO STEPS OF THE BLUE WESTERN CASTLE OF BURNING. THE POWER OF MAGIC FULFILLED ITSELF IN TRANSFORMING THE DRAGON GENESIS INTO THE MONKEY GENESIS. THREE CASTLES, ONE HUNDRED FIFTY-SIX STEPS, ONE HUNDRED FIFTY-SIX DREAMSPELL CENTURIES COMPLETED, THE JOURNEY OF TIMESHIP EARTH NOW TURNED TOWARD GALACTIC SOUTH FOR

THE CONTINUATION OF THE FOURTH CASTLE, THE RADIANT YELLOW CASTLE OF GIVING.

JUST AS THE PLANETARY KIN RECEIVED THE POWERS OF BIRTH, DEATH AND MAGIC FROM PASSAGE THROUGH THE FIRST THREE CASTLES, SO THE FOURTH WOULD BESTOW ON THEM THE WARRIOR POWER OF INTELLIGENCE.

NOW CAME THE DOG WAVESPELL OPENING THE POWER OF HEART. FOLLOWING THE THIRTEEN STEPS OF THE DOG WAVESPELL, THE KIN BECAME RICH IN LOVE AND LOYALTY, ALL IN PREPARATION FOR THE WAVESPELL OF NIGHT. THIRTEEN STEPS THROUGH THE BURNING BLUE NIGHT WAVESPELL ALLOWED THE DREAM POWER OF THE KIN TO RIPEN IN UNPARALLELED ABUNDANCE. FINALLY COMPLETING THE YELLOW SOUTHERN CASTLE OF GIVING, THE MAGNETIC GATE OF THE WARRIOR PRESENTED ITSELF.

THROUGH CASTING THE WARRIOR WAVESPELL OF INTELLIGENCE, THE KIN INCREASED THEIR FEARLESSNESS OF MAGICAL GIVING. FULL BLOWN WAS THE CAPACITY OF THE PLANETARY KIN TO SHARE IN THEIR GIFTS. EQUAL TO EACH OTHER WERE THEY IN THEIR ABILITY TO GIVE THEMSELVES TO EACH OTHER ACCORDING TO THE NEEDS OF WHATEVER ADVENTURE MIGHT ARISE.

FOUR CASTLES HAD BEEN COMPLETED, SIXTEEN WAVESPELLS CAST, TWO HUNDRED EIGHT STEPS CLIMBED, TWO HUNDRED EIGHT DREAMSPELL CENTURIES PASSED. SPIRALING UP THROUGH THE DRAGON GENESIS, SPIRALING AGAIN THROUGH THE MONKEY GENESIS, THE PLANETARY KIN WERE PREPARED FOR THE THIRD AND FINAL GENESIS OF TIMESHIP EARTH, THE MOON GENESIS, THE GENESIS OF MAGIC FLIGHT. ONLY FIFTY-TWO STEPS, FIFTY-TWO CENTURIES THROUGH THE GREEN CENTRAL CASTLE OF ENCHANTMENT AND THE INCREDIBLE VOYAGE OF TIMESHIP EARTH 2013 WOULD BE COMPLETE.

HAVING DEMONSTRATED THE POWERS OF THE THIRTEEN MOONS IN WEAVING TOGETHER THE DREAMSPELL GARDEN OF MAGIC DURING THE SIX WAVESPELLS OF THE MONKEY GENESIS, THE PLANETARY KIN OF THE MIGHTY TIMESHIP EARTH AWAITED TRANSFER TO THE GREEN CENTRAL CASTLE OF ENCHANTMENT. HOWEVER, IN THE MAGIC FLIGHT FROM THE TWO HUNDRED EIGHTH STEP, COSMIC STAR, TO THE TWO HUNDRED NINTH STEP, MAGNETIC MOON, INITIATING THE MOON GENESIS, A THEFT OCCURRED.

IMPOSTORS, MALE PRIESTS AND WARRIORS USURPED THE POWER OF THE THIRTEEN MOONS. THEY HID THE POWER OF THE THIRTEEN AMONG THEMSELVES AND ATTEMPTED TO BANISH ALL MEMORY OF THE MATRIX DREAMSPELL OF MAGIC.

THE MOON GENESIS WAS TO BESTOW THE GIFT OF THE 13:260 RATIO UPON THE PLANETARY KIN OF TIMESHIP EARTH. THE 13:260 RATIO UNLOCKS THE VAST POWERS OF MAGICAL FLIGHT HELD BY THE CENTRAL CASTLE OF ENCHANTMENT. INSTEAD, THE PLANETARY KIN HAD IMPOSED UPON THEM THE DIMINISHING POWER RATIO OF 12:60. NO LONGER THE MAGIC OF THIRTEEN MOONS BUT A TWELVE MONTH CALENDAR OF UNCERTAIN MEANING. NO LONGER THE TIMELESS GYRE OF MAGICAL FLIGHT, BUT A SIXTY MINUTE HOUR TO EARN ONE'S BREAD.

TIME WAS COMPRESSED INTO A FLAT CIRCLE. THE POWER OF THE TWENTY SOLAR TRIBES OF THE PLANETARY KIN WAS REDUCED TO THE POWER OF FIVE INSTEAD OF TWENTY. SLOWLY THE KIN GAVE THEIR POWER AWAY TO THE PRIESTS, WHILE THE PRIESTS OF THE CALENDAR CAST THE DREAMSPELL OF HISTORY.

DESPITE THE MALE PRIEST CORPORATE TAKEOVER OF THE THIRD DIMENSIONAL EARTH, THE FOURTH DIMENSIONAL TIMESHIP CONTINUED TO BE WOVEN. HOWEVER, THE FIFTY-TWO STEPS OF THE CENTRAL CASTLE OF ENCHANTMENT CAME TO BE COVERED WITH AN INCREASINGLY DENSE OVERLAY, THE DREAMSPELL OF HISTORY.

DURING THE OPENING MOON WAVESPELL OF THE CASTLE OF ENCHANTMENT, THE PRIESTS SUCCESSFULLY DIVERTED THE POWER OF UNIVERSAL WATER AND ESTABLISHED CIVILIZATION THROUGH IRRIGATION, WRITING, WARFARE AND THE CALENDAR OF TWELVE. THROUGH THE SECOND WAVESPELL OF WIND, THE POWER OF SPIRIT WAS CHanneLED THROUGH METALLURGY, HORSE AND CHARIOT WARFARE, AND THE BUILDING OF IMPERIAL CITIES. THE DOMAIN OF THE WARRIOR PRIESTS WAS EXTENDED. TWENTY-SIX CENTURIES OF THE CASTLE OF ENCHANTMENT CAPTURED BY THE MALE PRIESTHOOD.

THE POWER OF TIMESHIP EARTH PERSISTED. DURING THE THIRD WAVESPELL OF THE MOON GENESIS, EAGLE CAST THE WAVESPELL OF VISION. TEACHERS, PHILOSOPHERS AND VISIONARY SONS OF THE ANCIENT TIME CALLED FOR A RECOLLECTION OF THE ORIGINAL ORDER OF TIMESHIP EARTH. BUT THE MINDS AND MEMORY OF THE PLANETARY KIN HAD ALREADY BECOME DIM AND WERE GROWING DIMMER.

FINALLY CAME THE TWENTIETH WAVESPELL, THE WAVESPELL OF THE STAR. CASTING THE POWER OF ELEGANCE, THE STAR WAVESPELL BECKONED THE JOURNEY OF THE LAST THIRTEEN STEPS, THE LAST THIRTEEN DREAMSPELL CENTURIES OF THE TWO HUNDRED SIXTY STEP FORTRESS OF TIMESHIP EARTH, THE COMPLETION OF THE MOON GENESIS OF MAGIC FLIGHT.

THE POWER OF THE MALE PRIESTS CONTINUED TO NAVIGATE ITS OWN COURSE. THE 12:60 RATIO SPREAD AROUND THE PLANET IN MECHANIZED VICTORY. YET, THE SECRET DREAMERS OF THE TIMESHIP CONTINUED WITHOUT CEASING TO WEAVE THE TRUE VISION OF TIME ACCORDING TO THE INVISIBLE DEMANDS OF TIMESHIP EARTH.

NOW BLIND AND WITHOUT COHERENT RECOLLECTION, THE HUMAN CREW OF THIRD DIMENSIONAL PLANET EARTH STEERS ITS SHIP OF CIVILIZATION INTO THE SELF CREATED WALLS OF ITS OWN UNDOING.

IT IS AS IF A MAN CLIMBING A SPIRALING STAIRCASE OF TWO HUNDRED SIXTY STEPS ARRIVES AT THE LAST FEW, AND HAVING FORGOTTEN HIS PURPOSE, STUMBLES AT THE VERY LAST STEP. WILL THE MAN FALL AND ALL THE EFFORT BE FOR NAUGHT? OR WILL SOMETHING HAPPEN IN THAT FLEETING INSTANT OF

STUMBLING? PERHAPS A DEJA VU, A FLEETING RECOLLECTION OF THE WHOLE ADVENTURE. SUCH COULD BE ENOUGH TO BRING THE MAN BACK TO HIMSELF AND SET HIM ARIGHT TO COMPLETE SUCCESSFULLY THE TWO HUNDRED SIXTIETH STEP.

SO IT HAS HAPPENED THAT THE DREAMSPELL OF HISTORY COMPLETED ITSELF AD 1987, 16 AUGUST BY THE CALENDAR OF TWELVE. A FIVE YEAR DEJA VU IS NOW OCCURRING WHEREBY ALL MAY AWAKEN TO THE DREAMSPELL. ALL MAY HAVE AGAIN THE OPPORTUNITY OF RECEIVING AT LAST THE GIFT OF MAGICAL FLIGHT, THE 13:260 RATIO, RESTORING THE MAGIC OF THE PLANETARY KIN TO WHAT IT WAS AT THE DAWN OF THE MOON GENESIS.

FROM THE DREAMSPELL ENDING OF HISTORY, AD 1987, TO THE INTENDED DREAMSPELL LAUNCHING OF TIMESHIP EARTH, AD 2013, THERE ARE ONLY TWENTY-SIX YEARS. FIVE YEARS TO UNRAVEL THE DREAMSPELL OF HISTORY. EIGHT YEARS TO RECOVER THE DREAMSPELL OF MAGIC. THIRTEEN YEARS TO TEST DRIVE THE MIGHTY TIMESHIP EARTH THROUGH THE GREEN CENTRAL CASTLE OF ENCHANTMENT. THEN ON TO THE TIMESHIP EARTH LAUNCHING POINT 2013.

THE GALACTIC DREAMSPELL HAS HARDLY BEGUN. THE TALE OF TIMESHIP EARTH IS POISED AT THIS MOMENT TO RELEASE THE GIFT, THE GALACTIC TONES OF THE THIRTEEN MOONS, THE CALENDAR WAVESPELL THAT UNLOCKS ALL WAVESPELLS.

*O Timeship Earth 2013*

FROM THE TIME OF THE MONKEY GENESIS IN THE MIDDLE OF THE BLUE WESTERN CASTLE OF BURNING, THE PLANETARY KIN LIVED BY FOLLOWING AND PRACTICING THE MAGIC OF THE THIRTEEN MOONS. DESCENDED FROM THE TWENTY SOLAR TRIBES, EACH PLANETARY KIN POSSESSES TWENTY FINGERS AND TOES. IN THIS WAY THE PLANETARY KIN OF THE MONKEY GENESIS DREAMSPELL OF MAGIC LIVED ACCORDING TO THE LUNAR:SOLAR RATIO OF 13:20.

THE 13:20 RATIO IS THE BASE OPERATING CYCLE OF TIMESHIP EARTH. THIRTEEN MOONS, TWENTY SOLAR TRIBES LIVING IN HARMONY SUSTAIN TIMESHIP EARTH IN ITS ORBIT AROUND THE SUN.

THEN CAME THE TIME FOR THE PLANETARY KIN TO COMPLETE THE MONKEY GENESIS AND ENTER THE MOON GENESIS. ACCORDING TO THE DREAMSPELL CODE OF THE CASTLES, UPON LEAVING THE SOUTHERN YELLOW CASTLE OF GIVING AND ENTERING THE GREEN CASTLE OF ENCHANTMENT, THE PLANETARY KIN WERE TO RECEIVE THE GIFT OF THE INCREASED 13:260 TIMESHIP EARTH OPERATING RATIO.

IN THE PROFOUND SPACE BETWEEN THE MONKEY GENESIS ENDING AND THE MOON GENESIS BEGINNING OF THE ENCHANTED CASTLE A TRICK WAS PLAYED, A THEFT OCCURRED, POWER WAS USURPED. HOW? AND WHY?

THE CURRENT DREAMSPELL OF TIMESHIP EARTH IS NOW APPROACHING ITS TWENTY SIX THOUSAND YEAR FINALE. THIS DREAMSPELL IS ONLY THE MOST RECENT DREAMSPELL CAST IN THE PLANETARY SYSTEM OF THE SUN. NUMEROUS TIMES BEFORE ON DIFFERENT PLANETS WITHIN THE LOCAL STAR SYSTEM HAD DREAMSPELLS BEEN CAST. NOT ALL OF THESE DREAMSPELLS ENDED WELL.

ONE PLANET WAS DESTROYED, MALDEK, THE FIFTH PLANET OUT FROM THE SUN, IS NOW KNOWN AS THE ASTEROID BELT. ITS HISTORY LOST, THE DEBRIS OF ITS DREAMSPELL STILL HOLDS MALDEK'S ORBITAL POSITION.

CATASTROPHIC DISTURBANCES ALSO OCCURRED ON MARS, THE FOURTH PLANET OUT. THE POWER THAT ONCE ANIMATED MALDEK AND MARS WAS NOW ABSORBED

AND APPROPRIATED BY JUPITER, THE SIXTH PLANET, AND HELD IN CHECK BY SATURN, THE SEVENTH.

JEALOUS OF THEIR INCREASED POWER, FORCES ON JUPITER AND SATURN CONSPIRED AGAINST THE PLANETARY KIN RECEIVING THE GIFT OF THE 13:260 RATIO. THIS GIFT WOULD HAVE GIVEN EARTH EQUAL POWER AND WOULD HAVE ESTABLISHED A DIRECT CONNECTION BETWEEN EARTH AND URANUS, THE EIGHTH PLANET.

FOR JUST AS EARTH IS THE THIRD PLANET OUT FROM THE SUN, SO IS URANUS THE THIRD PLANET IN FROM THE GALAXY. TOGETHER EARTH AND URANUS HOLD THE ORBITAL BALANCE OF THE SOLAR SYSTEM.

BOTH EARTH AND URANUS HAVE TWO PLANETARY ORBITS ON EITHER SIDE OF THEM. AS LONG AS JUPITER AND SATURN HELD THE POWER OF MALDEK AND MARS, THE CHANNEL BETWEEN EARTH AND URANUS WAS CLOSED. ONLY THE 13:260 RATIO ALREADY STORED DEEP WITHIN THE CRYSTAL CORE OF TIMESHIP EARTH, THE PLANETARY KIN RECEIVED THE 12:60 RATIO, THE DARK DREAMSPELL OF HISTORY. THE PROMISE OF GALACTIC TIME MAGIC AND COSMIC SELFHOOD WAS STOLEN FROM THE PLANETARY KIN.

THE PURPOSE OF THE TWELVE WAS TO ERASE ALL MEMORY OF THE MONKEY GENESIS WHEN THE PLANETARY KIN, MEN AND WOMEN EQUAL IN THEIR MAGIC POWERS, LIVED BY THE THIRTEEN MOONS. SO THE THIRTEENTH MOON WAS DISMEMBERED AND ADDED ON AS EXTRA DAYS TO THE CALENDAR OF TWELVE.

THIS ABSORPTION OF THE THIRTEEN INTO THE TWELVE WAS CALLED AN IMPROVEMENT BY THE MALE IMPOSTOR PRIESTS HYPNOTIZED BY THE COMBINED POWERS OF JUPITER AND SATURN. IT TAKES TWELVE YEARS FOR JUPITER TO ORBIT ONCE AROUND THE SUN. IT TAKES SIXTY YEARS FOR JUPITER AND SATURN TO BE CONJUNCT.

TWELVE TIMES FIVE EQUALS SIXTY, ONE SIXTH OF THE FLAT THREE HUNDRED SIXTY DEGREE CIRCLE. THE DIFFERENCE BETWEEN TWELVE AND FIVE IS SEVEN. WHILE THE PRIESTS OF THE CALENDAR OF ANCIENT BABYLON BANISHED THE POWER OF THE THIRTEEN MOONS, THEY REPLACED THAT POWER WITH THE POWER OF SEVEN.

WHILE THE TWELVE DIMINISHED THE POWER OF THIRTEEN BY ONE, THE SIXTY RAISED THE POWER OF TWENTY BY THREE. A SEEMING INCREASE IN POWER OCCURRED, BUT AN INCREASE ONLY ON THE FLAT PLANE OF THIRD DIMENSIONAL TIME TO WHICH THE PLANETARY KIN WERE NOW CONSIGNED.

WITH THE BANISHMENT OF THE THIRTEEN MOONS, THE FOURTH DIMENSIONAL TIME MAGIC OF THE PLANETARY KIN BECAME THE PROPERTY OF THE PRIEST CLASS. SETTING UP RELIGIONS AND GOVERNMENTS TO MAINTAIN THE KIN WITHIN THE THIRD DIMENSION, THE PRIESTS WERE ASSURED THAT ANYONE HAVING FOURTH

DIMENSIONAL EXPERIENCES EITHER BE APPROPRIATED BY RELIGION AND GOVERNMENT OR ELSE BE DESTROYED.

FROM THE OUTSET, ONCE THE 12:60 RATIO BECAME THE STANDARD OF THE DREAMSPELL OF HISTORY, THE PLANETARY KIN WERE PLACED INCREASINGLY OUT OF PHASE WITH TIMESHIP EARTH WHICH STILL OPERATED ON THE BASE 13:20 RATIO.

ONLY IN CENTRAL AMERICA AND MEXICO, FAR FROM THE PRIESTS OF BABYLON, DID THE CALENDAR OF THIRTEEN FLOURISH DURING THE DREAMSPELL OF HISTORY. DESPITE THEIR OWN CORRUPTION, THE PRIESTS CALLED MAYA KEPT BOTH THE CALENDAR OF THIRTEEN AND THE MEMORY OF VENUS, THE COSMIC STARLIGHT INITIATING THE MOON GENESIS. IN THIS WAY THE 13:20 OPERATING RATIO OF TIMESHIP EARTH CONTINUED TO BE MAINTAINED FAR INTO THE CENTRAL ENCHANTED CASTLE OF THE MOON GENESIS.

EVEN SO, FIVE HUNDRED YEARS AGO, DID THE PRIESTS AND WARRIORS OF THE 12:60 RATIO VENGE AND DESTROY AS MUCH AS THEY COULD OF THE KNOWLEDGE AND MEMORY OF THE MAYAN 13:20 RATIO. THIS ACCOMPLISHED, THE MISSION OF TIMESHIP EARTH WENT INTO HIBERNATION.

THE 12:60 RATIO WAS NOW TRIUMPHANT OVER ALL THE PLANET. THIRD DIMENSIONAL TIME COULD NOW BE MECHANIZED. WHILE OFFERING THE MAGICALLY DISPOSSESSED PLANETARY KIN INCREASED MATERIAL WEALTH, COMFORT, AND POWER THROUGH APPLICATION OF THE TEMPLATE "TIME IS MONEY," THE MALE PRIESTHOOD NOW CONFOUNDED ALL MEMORY OF THE THIRTEEN WITH IGNORANCE AND SUPERSTITION.

DESPITE THE SINISTER MATERIALISM OF THE MALE PRIESTHOOD, THE SUBTLE POWER OF THE CASTLE OF ENCHANTMENT CONTINUED TO MOVE FORWARD. THE DREAMSPELL OF HISTORY PAVED ITS OWN SHORTSIGHTED PATH OVER THE LAST FEW STEPS OF THE TWENTIETH WAVESPELL. ALL THE WHILE, SAINTS, MARTYRS, POETS, AND VISIONARIES OF EVERY KIND BECKONED TO HUMANITY WITH THEIR GLIMPSES OF THE TIMESHIP AND ITS GLORIOUS DESTINY.

OPERATING IN DISREGARD OF THE NATURAL 13:20 RATIO OF TIMESHIP EARTH, THE CIVILIZATION OF THE DREAMSPELL OF HISTORY INCREASINGLY TOOK ON THE QUALITY OF A TIME WARP.

FOURTH DIMENSIONAL TIME IS RADIAL, SHOOTING OUT IN EVERY DIRECTION SIMULTANEOUSLY FROM THE EVER-PRESENT NOW. THE RADIAL SIMULTANEITY OF FOURTH DIMENSIONAL TIME CREATES A HOLOSHERE OF EVER MORE COMPLEX ORDERS OF SYNCHRONICITY.

OPERATING EXCLUSIVELY BY ITS OWN POWER, THIRD DIMENSIONAL TIME IS FLAT. LIKE A PHONOGRAPH RECORD, THE TIME WARP OF THE THIRD DIMENSION IS BUT A THIN SLICE OF THE TOTAL HOLOSHERE OF FOURTH DIMENSIONAL TIME.

LIKE A PHONOGRAPH RECORD, THE TIME WARP IS LIMITED IN SIZE AND DURATION. NO MORE THAN FIFTY-TWO HUNDRED YEARS ARE AVAILABLE TO BE RECORDED IN THE GROOVES OF THE RECORD, AND THEN NO MORE CAN BE RECORDED. NATURALLY THE PRIESTS OF THIRD DIMENSIONAL TIME ARE BLIND TO THE LIMITS OF THE RECORD UPON WHICH THEY ARE RECORDING AND BEING RECORDED.

SO IT WAS THAT ON AUGUST 16, 1987, THE RECORDING OF THE 12:60 RATIO CAME TO ITS END. THE NEEDLE IS NOW SKIPPING WILDLY OVER THE RECORD AS THE PRIESTS TRY TO CONTINUE THE RECORDING. STRANGE SOUNDS, DISSONANCES, DEJA VUS OCCUR WITH WILD INSISTENCE. THE GREAT AWAKENING HAS ALREADY BEGUN.

THE DREAMSPELL OF HISTORY SHATTERING, THE TIME OF THE GIFT OF THE 13:260 RATIO HAS RETURNED ONCE AGAIN. THAT TIME IS THE TIME SHIFT, JULY 26, 1992, WHEN THE REACTIVATED TIMESHIP EARTH WILL ARISE EVERYWHERE WITHIN THE MIDST OF THE SHATTERED FLATLAND RECORD OF THE THIRD DIMENSION.

THE GIFT FOR LEAVING THE 12:60 RATIO AND ENTERING THE 13:260 RATIO IS THE THIRTEEN MOON CALENDAR FOR CASTING THE PLANETARY SERVICE WAVESPELL. KEYED TO THE DREAMSPELL JOURNEY BOARD, THE THIRTEEN MOON WAVESPELL UNLOCKS ALL CASTLE WAVESPELLS AND OPENS THE TWO HUNDRED SIXTY GALACTIC GATEWAYS OF TIMESHIP EARTH.

THIRTEEN PERFECT MOONS OF TWENTY-EIGHT DAYS EACH. EACH MOON A PERFECT REFLECTION OF EVERY OTHER MOON. IN SEQUENCE, EACH OF THE THIRTEEN MOONS CARRIES ONE OF THIRTEEN GALACTIC TONES.

THIRTEEN PERFECT MOONS, ONE PERFECT WAVESPELL. THE THIRTEEN MOON WAVESPELL, A PERFECT REFLECTION OF THE CASTLE WAVESPELL.

THE FIRST MOON IS THE MAGNETIC GATE. THE NEXT THREE MOONS ARE THE FIRST THREE CHAMBERS OF THE WAVESPELL. THE FIFTH MOON IS THE OVERTONE TOWER. THE NEXT THREE MOONS ARE THE NEXT THREE CHAMBERS. THE NINTH MOON IS THE SOLAR TOWER FOLLOWED BY THE LAST THREE CHAMBERS OF THE WAVESPELL. THE THIRTEENTH MOON IS THE COSMIC GATE.

MAGIC FLIGHT OCCURS ON THE FREE GREEN DAY BETWEEN THE LAST DAY OF THE THIRTEENTH COSMIC MOON AND THE FIRST DAY OF THE FIRST MAGNETIC MOON. THE FREE GREEN DAY SYNCHRONIZES WITH JULY 25 ON THE PRESENT SOLAR CALENDAR. THE FIRST DAY OF THE MAGNETIC MOON IS JULY 26.

THE PURPOSE OF THE THIRTEEN MOON CALENDAR IS TO GATHER TOGETHER THE SERVICE OF THE PLANETARY KIN ON BEHALF OF TIMESHIP EARTH. LIKE ANY WAVESPELL, THE PLANETARY SERVICE WAVESPELL OF THE THIRTEEN MOON CALENDAR FOLLOWS THE SAME TEMPLATE OF ADVENTURE AND TIME MAGIC AS THE CASTLE WAVESPELLS.

ALL TWENTY WAVESPELLS OF THE 13:260 RATIO ARE MAPPED ON THE DREAMSPELL JOURNEY BOARD. WHILE THE THIRTEEN MOON WAVESPELL SERVES TO CONVERT THIRD TO FOURTH DIMENSIONAL TIME, THE TWENTY WAVESPELLS OF THE JOURNEY BOARD MAP ALL OF THE RADIAL OVERTONES OF FOURTH DIMENSIONAL TIME.

BY SURRENDERING THE 12:60 RATIO AND ACCEPTING THE WAVESPELL PERFECTION OF THE THIRTEEN MOON CALENDAR, ALL PLANETARY KIN WILL DISCOVER THEIR OWN GALACTIC GATEWAYS.

FOLLOWING THE TIME SHIFT, JULY 26, 1992, THE PLANETARY KIN CAN TAKE ADVANTAGE OF THE STORED POWER OF THE CASTLE OF ENCHANTMENT.

THROUGH APPLICATION OF THE OVERTONE MAGIC OF GALACTIC TIME, WITHIN TWENTY YEARS THE PLANETARY KIN CAN COMPLETE THE JOURNEY OF TIMESHIP EARTH 2013.

WITH NOTHING LEFT TO LOSE AND NOWHERE ELSE TO GO, IT IS TIME FOR ALL PLANETARY KIN TO ENTER THE ADVENTURE OF TIMESHIP EARTH.

# Dreamspell Oracle of Destiny: The Oracle of Galactic Time

## The Dreamspell Mission on Timeship earth 2013

### Cast and Plot

**Humans:** time travelers lost on experimental third-dimensional colony.

**Earth:** third-dimensional anchor of lost Timeship.

**Original mission:** land Timeship 2013 on Earth and take action to keep Earth from being third planet in succession to blow out within local star system.

**Target of original mission:** galactic synchronization, AD 2013.  
Cause of planetary blow-outs: memory virus affecting third-dimensional space suits.

**Result of virus:** genetic flaw in space suits causing amnesia of third-to-fourth dimensional connect and of sensory/environmental hook-up.

**Origin of virus:** double-agent time bandits on Jupiter and Saturn wanting to take over local star system project 12:60 ratio beam toward Earth to keep time colonists in third dimension.

### Background

**Mission protagonists:** Galactic Central Fifth Force, a higher dimensional organization.

**Function:** star surveillance and planet development for purpose of seeding fifth force, power of galactic self-creation.

**History of mission:** through many galactic spins there had been surveillance of the system, Kinich Ahau, a single star system with ten orbital wings. Because of its ten orbital wings, Kinich Ahau was deemed perfect for anchoring the fifth force. Once the fifth force was anchored on the star Kinich Ahau, its ten orbits became charged and activated.

Once a star's planetary orbits are charged and activated, colonization becomes necessary. A tedious and lengthy process, initially the colonization proceeded routinely. The major point of engagement was to establish a time tunnel between the planets holding the third and the eighth orbits. This meant that first of all, the orbits on either side of the third and eighth planets had to be stabilized.

Trouble broke out when the mission on the fifth orbit, held by the planet called Maldek, blew up so badly that the planet became an asteroid belt. A second mission

on the fourth planet out, called Mars, also self-destructed leaving an uninhabitable red planet. The situation of Kinich Ahau was grave.

The source of the trouble came from counter-agents who had taken over the planets Jupiter and Saturn, holding the sixth and seventh orbits. These counter-agents now held the two largest planets of the Kinich Ahau system and formed an effective block between the third and eighth orbits, rendering the construction of the time tunnel impossible.

Although Kinich Ahau is a solitary star system rotating around the Pleiadian cluster, when fully operative it contributes to the sounding of a cosmic fifth force chord in this remote sector of the galaxy. Because of this, the Timeship Earth mission was decided as a last ditch ploy to salvage Kinich Ahau.

Following the Pleiadian timing of Kinich Ahau, the Dreamspell mission of Timeship 2013 was implanted on Earth at -23,987 Dreamspell years. Utilizing the code of the four cosmic root races, the galactic time travelers entered their third-dimensional space suits. For 26,000 Dreamspell years the time colony would utilize the genetic programming of the third-dimensional space suits and remain incarnate on planet Earth.

During the dragon genesis the time colony enriched itself on memory nodes unlocking the cause and cure of the disruptions on Kinich Ahau. Then, despite the precaution of cultivating the magic and wisdom of the thirteen moons during the monkey genesis, the memory virus struck.

At -3187 Dreamspell years the time bandits of the sixth and seventh orbits pulsed their beam. The 12:60 frequency of the memory virus took immediate effect on the third-dimensional space suits.

The planetary colonists experienced the virus initially as a dimness of memory concerning their fourth-dimensional hook up and then, as weakened sense perceptions. Counter-agents on Earth disguised as priests told the colonists that in order to make up for their weakened senses, civilization should be developed. To account for their weakened fourth-dimensional memory, described as "lost soul," religion would be needed.

The Dreamspell of history was cast. A wedge was driven between the ego of the third-dimensional space suits and the fourth-dimensional holons of the galactic colonists.

Result: the last 20 per cent of the mission was aborted. Instead of creating a spectral continuum connecting the third and eighth planets -- Earth and Uranus -- the colonists entered the amnesia and recreated the Maldek-Mars effect, also known as Atlantis.

As the wedge between the third-dimensional space suit and the fourth-dimensional holon grew, the colonists experienced greater and greater dissynchronization. The colonists were now lost in time.

As the dissynchronization increased, the planet attracted more and more lost time travelers from other parts of the galaxy. By the time of the Age of Transformation, AD 1754-2013, the dissynchronous attraction of lost galactic time travelers grew to epic proportions. The human population of Earth expanded enormously, growing from .5 billion in 1754 to 5.2 billion in 1990. Material civilization exploded in direct proportion to this exponential growth.

The memory virus was now epidemic. Not wanting to see Kinich Ahau grow dim in the sounding of the cosmic chord, the galactic fifth force has developed, at the last possible moment, an inoculation for the memory virus: Dreamspell.

The Dreamspell cures the memory virus while restoring your fourth-dimensional memory circuits. Through use of the Dreamspell, you can dial up your galactic gateway, reenter the original mission state, and destructure the illusion of the memory virus.

The Time Shift, July 26, 1992, is the first step readying the Timeship for completion of its mission. By restoring the power of thirteen through implementation of the thirteen moon calendar the Saturn power of seven will be checked.

This buys time and gives you eight years to clean up the mess. Through the pole shift, AD 2000, you will regain the power of time travel and the time tunnels will be reopened. Between 2000 and 2013, you will be able to pin point the source of the memory virus on Saturn and Jupiter. By 2013, you will meet galactic synchronization. Kinich Ahau will be stabilized.

# How to Enter and Play the Dreamspell Oracle of Destiny

**The Dreamspell Oracle of Destiny:** using the Galactic Compass, Oracle Board, Journey Board, and Book of Kin to cast the Dreamspell Oracle is a gift, 5,000 years overdue. This gift is knowledge of galactic time as the calendar of the 13 Moons, the 100 patterns of destiny, and the 260 galactic gateways of planetary kin.

**Purpose:** to gather the rainbow nation and to reestablish the original harmony of the four cosmic root races; to prepare for the Time Shift, July 26, 1992; to engage in the clean-up and restabilization of planet Earth, 1992-2000; to enter the pole shift, AD 2000; to test drive Timeship Earth AD 2000-2013; and to launch the Timeship, sounding the galactic fifth chord of Kinich Ahau, the solar system, July 26, AD 2013.

**How?** through the use of the Dreamspell Oracle to arouse and reconstruct the memory of galactic time. By reconnecting the third-dimensional space suit, the human body, with its fourth-dimensional holon, galactic time is the direct revelation of the law of the kin. In the law of the kin, all kin are equal. It is for the planetary kin, equal and free, to create a path of power for the rainbow nation that is completely liberated of all institutions, money, war and poverty. The Dreamspell Oracle tunes you in, dials you up, and turns you over to the fourth dimension. The rest is up to you.

#### Dreamspell Oracle of Destiny: How to Play

**Step 1.** Take the **Galactic Compass** and compass directions and learn to find the galactic gateway for today's date, your date of birth, or any third-dimensional date. The galactic gateway is the galactic tone and solar seal corresponding to the date.

**Step 2.** Use the **Kwik Reference Card** to identify the solar seal of the galactic gateway. Find the solar seal chip in the **Color Cube** that matches the solar seal of the galactic gateway. Find the code number on the back of the solar seal chip.

**Step 3.** On the **Oracle Guide** note the central position of the destiny kin. Study the over-all form of the base destiny pattern with its five positions. Learn the meaning for each position.

**Step 4.** Match the code number on the back of the solar seal chip with the corresponding code number of the central destiny kin in one of the **20 base destiny patterns of the Oracle Board**. Place the solar seal chip face up in the destiny position of that base pattern.

**Step 5.** From the base destiny pattern on the **Oracle Board** that holds your destiny kin match the solar seal code numbers of the analog, antipode and occult kin with corresponding code numbers on the backs of the solar seal chips. Place these solar seal chips face up in the corresponding positions on the base destiny pattern.

**Step 6.** On the wavespell ring of the **Galactic Compass**, note the solar seal in the wavespell guide position just beneath the galactic gateway. From the **Kwik**

**Reference Card** find the matching solar seal chip and place that in the color guide position at the top of the base pattern on the **Oracle Board**. You have now created a pattern of destiny. Study both sides of the chips in relation to the Oracle Board.

**Step 7.** Go to the **Dreamspell Oracle Index** and read through the different roles played by the solar tribes in the pattern of destiny. Use the outside of the **Journey Board** and follow the Oracle Index with your solar seal chips to identify their corresponding positions on: Galactic-Solar 0-19 code, Chromatic Arrangement; Dreamspell Genesis, Harmonic Arrangement, and Human Holon.

**Step 8.** On the Galactic Compass, note the wavespell and castle position of the galactic gateway and turn to the **Harmonic Index**. Note the castle position on top of the Index and then find the name of the solar seal on the left-hand side of the index. Locate the tone number on the horizontal band, and note the **Harmonic Number** immediately above the white band. Use this harmonic number to locate your galactic gateway in the **Book of Kin**.

**Step 9.** Open the **Book of Kin** to the harmonic number and find the read-out for the galactic gateway of the destiny kin from the base pattern of destiny which you have already created.

**Step 10.** Go to the **Journey Board** and locate the castle and wavespell matching the Galactic Compass information and locate the galactic gateway on the **Journey Board**. Use the outside of the **Oracle Board** and place the appropriate solar seal chips according to their galactic tone on the Adventure Wavespell and the Pulsar Code.

Congratulations! You have now opened the galactic gateway to fourth-dimensional time and have reentered Timeship Earth 2013! Welcome aboard!

# Dreamspell Rules of Play

## Galactic Signature: Holon, Planetary Kin, and Ego

The name assigned to your galactic gateway becomes your personal galactic signature. The galactic signature is taken from the title of the kin in the **Book of Kin** corresponding to the galactic gateway on the Compass. Your galactic signature becomes your personal Dreamspell code name.

The color, galactic tone, and solar seal of your galactic signature are your base of operations. It identifies you as a planetary kin.

To play the Dreamspell Oracle, you have a three part role-playing personality: **holon**, **planetary kin**, and **ego**.

**1) Holon** is the fourth-dimensional counterpart to your third-dimensional ego. The holon is the free will power of your imagination that identifies with people, events, and places not accessible to your third-dimensional form. The holon is your imaginative persona.

**2) Planetary Kin** mediates between the holon and the ego according to the Law of the Kin. The planetary kin is the one who takes responsibility for whatever happens. The planetary kin is your relational persona.

**3) Ego** plays out fourth-dimensional roles in third-dimensional time. When the third-dimensional ego identifies itself as the galactic signature, it is a planetary kin. The ego is the pleasure loving persona.

## Law of the Kin

The **Law of the Kin** is fourth-dimensional law. It is the only law known to the fourth-dimensional holon. Autonomy, equality and loyalty are the three mutually self-regulating expressions of the law of the kin.

**1) Autonomy** describes the holon's use of free will to explore the imagination in pursuit of its goals. It is impossible for one holon to impose upon or forbid another holon from being in its free will.

**2) Equality** means that all planetary kin are related and have equal place and power within the Dreamspell. The planetary kin abides by and applies the law of kin to all situations. The planetary kin is the one that knows and becomes skillful at reading the Dreamspell Oracle.

**3) Loyalty** means that the ego is faithful in carrying out the holon's instructions as mediated by the planetary kin.

Abiding by the law of the kin, it is up to the planetary kin to see to it that the ego does not impose its will upon another.

By loyalty to the law of the kin, no planetary kin can decline the least invitation to adventure posed by another planetary kin. Any adventure so undertaken must be carried through to the end. All adventures must be recounted at the court of the kin.

The court of the kin is a round table called by any planetary kin. The purpose of gathering together as planetary kin is to receive accounts of completed adventures and to determine new adventures. A court of the kin may be convened whenever and wherever any planetary kin deems it necessary and appropriate. Assembly of the court of kin should ideally occur on the 12 tone crystal day of the wavespell.

**Adventure** is any action undertaken by the planetary kin on behalf of attaining the goals of Timeship Earth 2013.

## **Playing the Dreamspell Oracle**

In the Dreamspell Oracle patterns of third-dimensional relations are functions of fourth-dimensional time. In the third dimension these patterns are called synchronicities. In the fourth dimension these patterns form a single radial matrix. In a radial matrix every part is related to every other part.

To play the Dreamspell Oracle, use the Galactic Compass to plot the synchronicities connecting all of your relations. When you find the galactic gateways of all your relations, you are mapping the radial matrix of fourth-dimensional time. Everything in the world is an ever-changing harmony of relationships.

The relations that you can map are not only your current existing relations, but any relation you desire drawn from the present or from history, whether a person or an event.

The ultimate purpose of playing the Dreamspell Oracle is to hasten the numbers of planetary kin ready to join in the epic launching of Timeship Earth 2013. As you acquire facility with the Galactic Compass, the Oracle and Journey Boards, and all the other Dreamspell play tools, you will increase your own synchronicity.

As you increase your own synchronicity, you learn time magic and become a Dreamspell code-breaker. The art of Dreamspell code-breaking lies in your ability to find different ways to make every day your own field of play, and to find as many ways as you can to extend your relationship to as many other people and events as possible.

## Knowing the Chromatic Time Atom: The Color Cube

Inside the top cover of the color cube is a depiction of the chromatic time atom: the four color constants -- red, white, blue, yellow -- and the green central color which holds the chromatic time atom together.

The four color constants are the root of each time cell, and also of each harmonic of the Book of Kin. The four colors times the fifth color, green, results in the 20 solar tribes.

The four color constants form six color relationships:

- 1) Antipode red and blue
- 2) Antipode white and yellow
- 3) Analog red and white
- 4) Analog blue and yellow
- 5) Occult red and yellow
- 6) Occult blue and white

The six sides of the color cube show the six relationships that the four color constants have with each other:

- 1) top and bottom show the antipode relations
- 2) front and back as you hold the cube upright facing you, show the analog relations
- 3) right and left sides show the occult relations

Can you find the four corners where the triangles of each of the four colors meet? How many illusory tetrahedra can you find on the color cube? (tetrahedron = geometric figure, three sides visible, one side invisible)

The colors of the five inside walls of the color cube demonstrate the color pattern of the five castles of the Journey Board, and of the five time cells of the Oracle Board: red to the right, white above, blue to the left, yellow below, and green in the center.

The chromatic time atom and color cube set the stage for laying out and reading the patterns of destiny on the Oracle Board.

## The 20 Solar Seal Chips

Place two set of 20 solar seal chips in your Color Cube. Each chip is coded on both sides.

**Front side:** Color-coded seals for identifying solar tribe, color family, Earth family and chromatic clan.

**Back side:** Galactic code number and code spell.

**Code number** identifies the position of the seal in the daily sequence. This code number is keyed to one of the 20 base destiny patterns of the Oracle Board. Use the Kwik Reference Card to learn the galactic notation of the code numbers. These code numbers are independent of the thirteen tone of the wavespell.

**Code spell:** name, action, and power of the seal and its tribe.

## **Dreamspell Oracle Guide: Laying Out and Reading the Oracle Patterns**

There are 20 base destiny patterns on the Oracle Board. To accommodate the 260-kin galactic spin, these 20 base patterns expand by the power of five to create 100 patterns of destiny. These 100 patterns of destiny can be used for three different kinds of oracle readings: life destiny oracle, daily oracle, and chance oracle readings.

**The Dreamspell Oracle Guide**, on the other side of the Harmonic Index, present the base destiny pattern which you need to know for laying out and reading any oracle. The interpretation of the layout is determined according to one of the three kinds of readings.

**1) Life destiny reading:** refers to a layout and reading based on the galactic signature or galactic gateway to determine destinal qualities of yourself, another person, or an event.

**2) Daily reading:** refers to a layout based on the daily kin of the galactic spin to determine qualities of any day. Same procedure as life destiny reading. You may do an oracle reading every day. As you become skilled, you may also determine and do readings for the occult partner and antipode kin for each day (see below).

**3) Chance reading:** refers to a layout based on randomly drawing a seal in answer to any question. In this kind of reading the solar seal chip drawn is placed in the destiny kin position, along with the appropriate analog, antipode and occult seal chips. There is no guide kin, but the quality of the color according to the root race color family should be taken as a major factor in the reading: red power of initiating, white power of refining, blue power of transforming, and yellow power of ripening.

The following color laws apply to the solar seal:

- 1) **antipodes:** according to the daily sequence of the 20 solar seals, any two seals that are 10 code numbers apart.
- 2) **analogs:** any two solar seals whose code number sum is 19.
- 3) **occults:** any two solar seals whose code number sum is 21.

For Dreamspell Oracle interpretation and role-playing, remember this:

**Antipodes** oppose and challenge in order to strengthen genesis memory. See: Dreamspell Genesis Index.

**Analog**s go along and give support. See: Galactic-Solar 0-19 Index.

**Occults** represent hidden, unexpected factors. See: Galactic-Solar 0-19 and Dreamspell Genesis indexes.

**Guides** represent outcome favored by chromatic color dominance. See: Root Race Index.

**Galactic tones** determine guides and place you in one of 20 wavespells. Use the Adventure Wavespell, Pulsar Code, and Book of Kin for read-outs of galactic gateways or day kin.

**Law of antipode pairs and occults.** For any wavespell, seals with tones 1 and 11, 2 and 12, 3 and 13 are always antipode pairs. This accounts for six of the thirteen seals in any wavespell. Since there are seven seals occult in any wavespell, these seven seals can be paired with the seven remaining unpaired seals of the wavespell whose tones run 4 through 10. This information is useful in tracking hidden factors of any wavespell. See: Adventure Wavespell and Pulsar Code.

Place thirteen chips of a given wavespell on the Adventure Wavespell (top outside leaf Oracle Board). Then take the seven occult chips and place them on the Dreamspell Genesis (outside right leaf Journey Board). What pattern emerges?

**Law of Antipode Partners:** Antipode partner is always the same tone as the day or destiny kin, 10 wavespells and 130 kin apart. Knowing your antipode partner increases your holon's power.

To learn more about the antipode partners follow the Dreamspell Genesis (outside right leaf Journey Board). Begin at the arrow "enter here." Note that immediately above the dot-bar notation are the Dreamspell Genesis dates for each of the 20 wavespells. Can you determine the color pattern of the castles?

There are five memory cells in the Dreamspell Genesis. The names (and functions) of the five cells are: transmit, alpha transduce, equalize, omega transduce, and receive. As you place your chips in their corresponding antipode squares, you will discover the member seals of these memory cells.

Creation of memory cell teams for time travel is an advanced level of the Dreamspell Oracle. See: Dreamspell Castle Genesis Index.

**Law of Occult Partners and Quartets:** Occult partners are a pair of occult solar seals whose tones equal 14. Occult quartets are two pairs of occult partners whose tones equal 28. The finding of occult partners and quartets increases your holon's power and amplifies the possibilities of play. Find the occult partners and quartets on the Harmonic Index.

[SEE DIAGRAM PAGE 24]

## **Analog Partners: Galactic-Solar 0-19 Code**

The 20 solar seals are arranged according to their planetary partners. Every planet in the solar system has assigned to it a pair of seals, one galactic and one solar.

The key to the galactic-solar 0-19 code is in the analog pairs of solar seals. Use the 20 solar seal chips to discover these pairs. Note that the numbers of every galactic-solar pair of seals adds up to 19. Study the 0-19 code on your Kwik Reference Card and also study the pattern of the Chromatic Arrangement. How do these patterns relate to the Galactic-Solar 0-19 Code? Can you discover the principle of the radial matrix in the 0-19 code of the Kwik Reference Card?

There are five analog solar cells: galactic terminal; Uranus terminal; midway transfer; Earth transfer, and solar terminal. Creation of solar cell teams for the purpose of exploring the time tunnels is an advanced form of Dreamspell play.

To complete your oracle reading, locate the galactic gateways, antipode and occult partners on the Journey Board. Keep account of your daily readings and map the synchronicities leading to the rainbow nation.

## **Harmonic Index**

The Harmonic Index is a comprehensive catalog of the Dreamspell. The Harmonic Index is on the other side of the Oracle Guide. Starting at the top, the castle index references from the castle ring of the Galactic Compass to the Journey Board and the Book of Kin.

Beneath the castle index are the 13 harmonic runs. Each harmonic run consists of the 20 solar seals in sequence from dragon through sun.

On the right-hand side is a listing of the time cells color-coded according to the Oracle Board. On the left-hand side is a listing of the solar seals according to their harmonics and their inverses. The color of each of the 20 solar seals runs in a horizontal band across the index. The harmonics are listed in the wider white horizontal bands. Immediately beneath, in the wide green band, is the inverse number of each harmonic.

If you study the harmonics and their inverses you will discover the principle of the radial matrix. Only one harmonic, harmonic 33, is the same as its inverse. Note the position of 33 in the sequence 1-65 and in the Harmonic Index. 33 doubled is 66. Note that the sum of each one of the 65 harmonics and its inverse equals 66.

With the exception of harmonic 33, the sum of the four galactic tones of each harmonic and its inverse is 56 ( $28 \times 2$ ). The sum of the four galactic tones of harmonic 33 is 28.

The galactic tones for each galactic gateway are listed in arabic numerals starting at the upper left hand corner. **Always read down the harmonic runs.** When you reach the bottom of one harmonic run, go to the top of the next.

Use the Harmonic Index to cross-reference kin, harmonics, wavespells, harmonic runs, polar kin, and galactic activation portals of the **Book of Kin**, and to the castles on the Journey Board.

Note the four galactic tones of the four kin at the four extreme corners of the harmonic index: 1 dragon-13 sun, 7 sun-7 dragon. This 1-13:7-7 quartet, depicted under the Law of Occult Partners, is the key to all occult quartets. In an occult quartet the numbers of each diagonally opposite set (inverse symmetry) add up to 14, and the numbers of the quartet add up to 28. Occult partners are diagonally opposite pairs. This principle of occult inverse symmetry is constant for any set of occult partners and quartets.

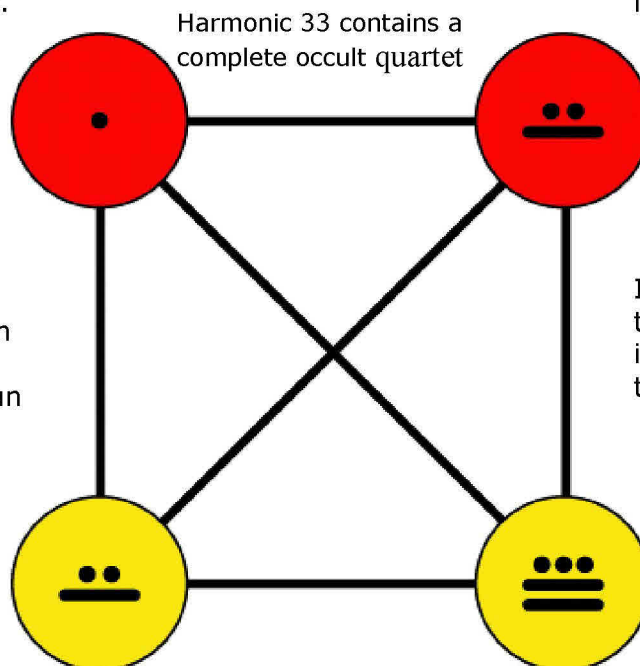

## Occult Partners

Occult Partners are always aligned diagonal to each other on the Harmonic Index.

Any two pairs of destiny and occult kin whose tones equal 28 form occult partners.

In this example tone one Dragon is paired with tone thirteen Sun

In this example tone seven Dragon is paired with tone seven Sun

For any **galactic gateway** the tone of the solar seal subtracted from 14 equals the tone of the occult partner.

Use the harmonics, inverses, and harmonic runs for finding occult pairs and quartets. You will find that every occult partner occurs in its inverse harmonic.

The black dots on the Harmonic Index indicate the 52 galactic activation portals that create the loom of the 13 moons. The loom consists of 13 occult quartets. Since the tones of each occult quartet equal 28, the sum of the 13 sets equals 364, the number of days in 13 moons.

Note that there are no galactic activation portals in the seventh harmonic run. In the sequence 1-13, 7 has no mirror complement. In which harmonic run is harmonic 33 located?

Use the complete 260-kin matrix for verifying compass maneuvers, locating antipode kin and the polar kin of the galactic spectrum.

## 52-Year Destiny Path

To increase your skill and pleasure at playing the Dreamspell Oracle and to fulfill yourself as a complete rainbow human, do your 52-year destiny path.

Turn to the **Castle of Destiny** on the Oracle Board (outside cover right leaf). Coded by color and galactic tone the Castle of Destiny demonstrates the power of time magic. In time magic, the unit value of the kin can vary and the tone can change position.

In the **52-year destiny path one kin equals one year**. The colors of the four seals of your Earth family code your 52-year destiny path. This means that on the Castle of Destiny, the color of each kin represents one of the four solar seals of your Earth family.

The color, galactic tone, and solar seal of your galactic gateway are your base of operations. However, each year you take on a different color, tone and seal **according to one of the four solar seals of your Earth family**. Every birthday your planetary kin assumes a different personality!

On the blank Castle of Destiny, find the position of the galactic tone and the color of your galactic signature.

Once you have located your galactic gateway on the Castle of Destiny, each succeeding kin represents the sequence of your solar birthdays. Moving around from your galactic gateway, through all four wavespells of the Castle of Destiny, your 51st birthday will be represented by the last kin preceding the galactic gateway of your birth.

This means that over a 52-year period every planetary kin experiences the four color constants and four Earth family seals thirteen times and the 13 galactic tones four times. The solar seal of your galactic signature occurs on birthdays that are multiples

of four, i.e. 4, 8, 12, 16, 20 etc. The tone of your galactic signature occurs on your 13th, 26th, 39th and 52nd birthdays.

Because of the annual rotation of the solar seals, you may look at and experience your life in four-year cycles and thirteen year cycles.

Your 52nd birthday is your galactic-solar return. The cycle begins again and you have the opportunity of second childhood.

Following the 260-kin galactic spin, your Earth family appears every fifth day. Be aware of these occurrences and measure the quality of your day with the year of your life to which that day corresponds.

**Law of the Overtone Fifth.** For any wavespell, your Earth family always plays one of five overtone roles.

The overtone roles correspond to the dot-bar galactic notation code: (See Pulsar Code.)

tones 1, 6, 11:	magnetic overtone	one dot
tones 2, 7, 12:	lunar overtone	two dot
tones 3, 8, 13:	electric overtone	three dot
tones 4, 9:	mind-time	overtone four dots
tones 5, 10:	time-life overtone	bar

Use the Journey Board to plot out your life cycle in terms of wavespells and castles. As you become skilled at Dreamspell, you will find that your life cycle has many connections with the life cycles of all your relations whether past or present.

To go into further depth you may do an oracle reading for any year of your life.

In the same way you create a Castle of Destiny for your own life pattern, you may also create Castles of Destiny for the 52-year galactic solar cycle coded by the gateway seals, and found on the Galactic Ephemeris of your Galactic Compass.

## **Perpetual 13-Moon Calendar** (cross-reference: 13 Galactic Tones)

The purpose of the 13-moon calendar is to assist in converting third-dimensional materialism into the fourth-dimensional rainbow nation.

On the Green Ring of the Galactic Compass the thirteen moon calendar dates of the nineteen constants are listed in plain text next to the bold text **Gregorian dates**.

At the four corners of the 13-moon calendar are the gateway Earth family seals: red moon, white wizard, blue storm, yellow seed.

**Each galactic-solar 13-moon year runs from July 26th through July 25th of the following year.** For red moon years, the first day of every moon is red. For white wizard years, the first day of every moon is white. For blue storm years, the first day of every moon is blue. For yellow seed years, the first day of every moon is yellow.

Since each year is coded by a galactic gateway, do an oracle reading for each year.

To correlate the 13-moon calendar with the 52-week year:

<b>First quarter:</b>	first three moons plus first week of the fourth moon.
<b>Second quarter:</b>	last three weeks of the fourth moon, fifth and sixth moons, and the first two weeks of the seventh moon.
<b>Third quarter:</b>	last two weeks of the seventh moon, eighth and ninth moons, and first three weeks of the tenth moon.
<b>Fourth quarter:</b>	last week of the tenth moon and eleventh, twelfth and thirteenth moons.

Use the Castle of Destiny to plot out the 52-week year. Remember in this instance each kin equals one seven-day week.

Correlate solstices and equinoxes on the Perpetual 13-Moon Calendar:

<b>Fall equinox:</b>	day three of the third moon.
<b>Winter solstice:</b>	day nine of the sixth moon.
<b>Spring equinox:</b>	day fifteen of the ninth moon.
<b>Summer solstice:</b>	day twenty-three of the twelfth moon.

Use the Adventure Wavespell to chart out the annual cycle of planetary service. In the first moon you identify purpose for that galactic-solar year; in the second moon you identify the challenge; in the third moon you identify the service; and so on through all thirteen moons.

In charting out the annual wavespell use the Pulsar Code to link up different strategies of planetary service. Organize annual planetary service according to courts of the kin. As planetary kin following the annual service wavespell, develop comprehensive global clean-up operations leading to pole shift 2000.

## **Journey Board: the 260-Kin Galactic Spin**

The five castles and 260 galactic gateways of the 260-kin galactic spin present a complete map of the geography of galactic time. Once you have placed yourself in the Dreamspell through the Galactic Compass and located that day in the **Book of Kin** and the Journey Board, from that point on track every day on a daily basis. Proceed from one kin to the next.

For everyday use, each kin equals one day, creating the 260-kin galactic spin. It takes 52 solar years for any kin on the galactic spin to return to the very same day on the solar calendar. There are precisely 73 galactic spins for every 52 solar years. Think of a galactic spin as one galactic week and 52 solar years as one galactic year.

Through time magic the 260-kin galactic spin can be read according to different scales of time.

**If one kin equals one year**, the galactic spin may be used to map the 260-year Age of Transformation, 1754-2013.

Correlate the five castles of the galactic spin with the Galactic Ephemeris on the back of the Galactic Compass:

Innermost ring:	Red Eastern Castle	1754-1805
Second ring out:	White Northern Castle	1806-1857
Third ring out:	Blue Western Castle	1858-1909
Fourth ring out:	Yellow Southern Castle	1910-1961
Outermost fifth ring:	Central Green Castle	1962-2013

**If one kin equals 20 years**, the galactic spin maps the 5200-year Dreamspell of History, -3187 to 2013. If you correlate the Dreamspell of History according to the five castles, then each castle equals 1040 Dreamspell years.

Red Eastern Castle:	-3187 to -2147	Dreamspell years
White Northern Castle:	-2147 to -1107	Dreamspell years
Blue Western Castle:	-1107 to -67	Dreamspell years
Yellow Southern Castle:	-67 to AD 973	Dreamspell years
Green Central Castle:	AD 973 to AD 2013	Dreamspell years

**If one kin equals 100 years**, the galactic spin maps the 26,000 year universal Dreamspell of Timeship Earth 2013. Each castle in its entirety of four 13-kin wavespells accounts for 52 kin, or 52 steps of the Dreamspell Genesis. Each wavespell accounts for 1300 Dreamspell years, each castle for 5200 Dreamspell years. (See Dreamspell Genesis Index.)

Use the Galactic Solar 0-19 Code and Dreamspell Genesis on the outside of the Journey Board to plot antipodal, analog, and occult relations whether of your own immediate time or of any historical era. The point of identifying with historical personalities, events or whole eras is to have fun, and to reverse negative effects.

Through the Journey Board and the Galactic Compass, the power of time magic is returned to the hands of all who accept their roles as planetary kin.

Your Journey Board can be formed into a cube with the five castles of the galactic spin on the inside. Explore all of the dimensions of your new toys. Expand your imagination. There is no limit.

## Radial polarity

Fourth-dimensional time is a radial matrix. You can see this by contemplating the galactic spin of your Journey Board. To discover for yourself the moving, radial polarity of galactic time, track the antipode kin.

**Remember:** the antipode kin is the opposite color, same Earth family, and, on the galactic spin, will always be the same galactic tone, ten wavespells away. (In the **Book of Kin**, antipode kin are always 130 kin apart.) Track the antipodes on the galactic spin to experience the radial polarity of the spin.

## Dreamspell: Units of Measure

# **DREAMSPELL ORACLE INDEX**

## **The Oracle of Destiny of the Four Cosmic Root Races of Timeship Earth 2013**

You cannot launch a Timeship without a rainbow nation. A rainbow nation is the four cosmic root races operating in harmony according to the galactic fifth force. The Dreamspell Oracle returns the four cosmic root races to their original destiny: the creation of the rainbow nation of Timeship Earth 2013. That is why it is called an Oracle of Destiny.

There are 20 base destiny patterns, one for each of the 20 solar tribes. To each of these base patterns a fifth guiding color element provides five permutations for each base pattern, creating 100 oracles patterns in all. Knowing how to read these patterns enters you into the fifth force. How?

The Dreamspell Oracle is a fifth force cosmology. To "read" the oracle is to reconstruct the genesis and history of the 20 solar tribes within our solar system. The 13 galactic tones of the fifth force provide the 20 tribes their power of movement in time. The 13 galactic tones also provide the synchronization module for the 13 annual lunations of planet Earth. This 13 tone/13 moon synchronization module is called a wavespell.

The result of the permutation of the 20 solar tribes within the 13 tone wavespell are the 260 galactic gateways of the Book of Kin. The 260 gateways are the 260 time portals of the compass, mapped on the galactic spin.

The 0-19 galactic notation code of the 20 solar tribes establishes the 100 patterns of the Oracle of Destiny, the 100 codes governing fourth-dimensional behavior. Anyone operating through a galactic gateway can use any or all of the 100 codes to become a time bandit operating on behalf of Timeship Earth 2013.

The Dreamspell Oracle of Destiny links together the genesis of clans, planetary partners, root races, time cells and castles which now form the structure of the mighty Timeship Earth 2013. Why has Timeship Earth 2013 entered and become absorbed into the Earth's destiny?

Earth is the third planet out from the Sun. The third world refers to the humanity of this third planet. This third world humanity is mired in the third dimension. The fourth dimension is the four root races of the third world operating in harmony. The fifth force is the fifth world proclaimed by prophecy -- the fourth-dimensional rainbow nation, the world beyond the third-dimensional materialism that keeps the four root races separated.

Timeship Earth 2013 is the 26,000-year pattern of destiny seeded on this planet by the four cosmic races of the fifth force. The purpose of the Oracle of Destiny is to reawaken the planetary kin of Timeship 2013.

The Dreamspell Galactic Compass is the porthole back into the Timeship. To enter this porthole is to arouse the prophetic armies of the rainbow nation, the fourth-dimensional vanguard of Timeship 2013.

Dial up your galactic gateway to find your galactic signature. Find the solar seal chip matching your galactic signature seal. Use your solar seal code number and locate the base pattern of your destiny kin on the Oracle Board. Match the code numbers of the other oracle kin. Use the Oracle Genesis Indexes to reconstruct your pathways to rainbow power. Use the harmonic Index to find the location of your galactic signature in the **Book of Kin**. Use the **Journey Board** to track the synchronicities of your life and relations according to the 20 wavespells and five castles of the galactic spin.

Do the same for all of your relations. Begin to reconstruct your fourth-dimensional tribes. Prepare for the Time Shift, July 26, 1992, and then for the pole shift. The fifth world of the fifth force is coming. The fourth dimension prepares its rainbow mantle for Timeship 2013. The planetary kin of the rainbow nation are this mantle.

Rejoin the other planetary kin of Timeship 2013. Prepare to reenter the fifth force and fulfill the destiny of the four cosmic root races: the galactic return of the rainbow nation.

Each of the 100 patterns of destiny of the Dreamspell Oracle consists of five oracle powers: center = destiny power; right = analog power; left = antipode power; above = guiding power; and below = occult power. These powers operate in concert to evoke in you recollection of the purpose of the rainbow nation. Determine and follow the oracle powers according to the Dreamspell Oracle Guide and Genesis Indexes.

The Dreamspell Oracle is an oracle of self-divination. You can cast an oracle for each day, for yourself, for all 52 permutations of your 52-year galactic cycle, for all of your relations, for people and events of other eras. It is an oracle of self-divination because it is for you to determine how to let the five oracle powers of any reading guide you in your own understanding. It is for you to begin to weave together the synchronicities which the oracles demonstrate to you.

To use the indexes, follow the solar tribe of your galactic signature through the different geneses and begin to reconstruct your fourth-dimensional history. For each index use the corresponding visual guide on either the outside of the **Oracle Board** or **Journey Board**.

In the center of the Galactic-Solar 0-19 Code is the primordial chromatic time atom which also appears on the inside top of the Color Cube.

In order to make themselves useful the four clans divide into ten pairs of planetary partners according to the 10 planetary orbits of Kinich Ahau. The ten partners create the 0-19 code and further subdivide according to clans into two sets: outer five and inner five.

The purpose of the planetary partners is to maintain the galactic breath, the galactic-in, solar-out circulation of time, and to regulate the five solar cells of galactic time.

Through the 0-19 code, the planetary partners become radial kin and establish the five solar time cells. Through cooperation, the 20 solar tribes maintain the power of galactic-solar self circulation.

## **Root Race Index: Harmonic Arrangement** (bottom outside leaf Journey Board, read horizontally)

Once established as the planetary partners of Kinich Ahau, the 20 tribes enjoyed the radial evolution of their new star system. On yet one more star system was the harmony that unifies and transcends life and death to be attempted.

The pivot of the radial evolution is the midway transfer cell where the two outer clans and the two inner clans meet, the point between Jupiter and Maldek. At precisely this point the time wars began, and still continue. Time wars: free will misperceptions and conflicts originating between the two sets of clans within the midway transfer cell.

The first wave of time wars reduced Maldek to an orbiting ring of asteroids. The second wave eliminated the experiment on Mars. With two planets malfunctioning, all hope for the star Kinich Ahau was now placed in the third planet, Earth.

As long as the third planet and its orbit were still intact, the chromatic time tunnel between the third and the eighth could still be completed. Once completed the time tunnel would allow the Kinich Ahau system to sound the galactic fifth chord.

Following the disasters of Maldek and Mars, the ten planetary partners regroup as the four cosmic root races: red, white, blue, yellow. These four root races create the four color families of the rainbow nation. The third planet, Earth, is now the target for the establishment of galactic-solar harmony through the seeding of the rainbow nation.

## Castle Genesis Index: Dreamspell Genesis (outside right leaf **Journey Board**)

In the center of the Dreamspell Genesis are depicted the 13 moons and the star of the moon genesis. Synchronizing the 13 moon of planet Earth according to the 13 galactic tones, the four root races and the 20 tribes seed the 20 wavespells of Timeship 2013. Coded by the power of the fifth force, the 20 wavespells move through time as the five castles of Timeship 2013.

The time allowed for Timeship regeneration of a planet is 26,000 Dreamspell years. Each wavespell is 1300 years, each castle 5200 years. During this time three geneses occur: **dragon**, **monkey** and **moon**.

Each genesis marks the initiation of a stage of power of the rainbow nation:

<b>Dragon genesis</b>	13,000 Dreamspell years,	power of dreaming
<b>Monkey genesis</b>	7800 Dreamspell years,	power of magic
<b>Moon genesis</b>	5200 Dreamspell years,	power of magical flight

In this way the planetary kin of Timeship 2013 would become the rainbow nation. The launching of the Timeship at the end of the 26,000 years would mark the completion of the galactic fifth chord to be sounded by Kinich Ahau.

To restore and maintain the radial nature of solar-planetary time, the Dreamspell geneses and the five castles of the Timeship are organized into five genesis memory cells. Within each of the five memory cells the 20 tribes are organized according to antipode pairs. These pairs follow the laws of radial time.

In the outside ring of the Dreamspell genesis are the tribes marking the ten wavespells of the **dragon genesis**. In the inside ring are the six tribes marking the six wavespells of the **monkey genesis**, followed by the four tribes marking the four wavespells of the **moon genesis**.

# Planet Holon: Timeship Earth 2013

(outside center **Oracle Board**, cross-reference Chromatic Arrangement)

At the moment of the primal dragon genesis, the four clans create the interdimensional structure of Timeship 2013, the icosahedron (20-sided form) of the planet holon.

The Timeship is a radial galactic fifth force "radio" station. The broadcast lattice of the Timeship is maintained by cooperation of the fourth dimensional planetary kin.

The polar kin generate from the north pole; the cardinal kin transmit from median north; the core kin energize from the equator; the signal kin protect from median south; the gateway kin climax at the south pole.

The structure of the Timeship is now in place. Galactic transmissions from higher dimensions may now be transduced for use in the third dimension. The movement of the thirteen tones may now pass through the planet holon, charging it with the power of galactic time. It is now possible to map the 260-kin galactic spin on a daily basis.

To recreate the grid on any world map or globe, follow these kin coordinates, always moving eastward:

<b>Polar Kin:</b>	60 degrees north -- 15 degrees west -- <b>sun</b> 60 degrees north -- 75 degrees east -- <b>serpent</b> 60 degrees north -- 165 degrees east -- <b>dog</b> 60 degrees north -- 105 degrees west -- <b>eagle</b>
<b>Cardinal Kin:</b>	30 degrees north -- 30 degrees east -- <b>dragon</b> 30 degrees north -- 120 degrees east -- <b>world-bridger</b> 30 degrees north -- 150 degrees west -- <b>monkey</b> 30 degrees north -- 60 degrees west -- <b>warrior</b>
<b>Core Kin:</b>	Equator -- 15 degrees west -- <b>earth</b> Equator -- 75 degrees east -- <b>wind</b> Equator -- 165 degrees east -- <b>hand</b> Equator -- 105 degrees west -- <b>human</b>
<b>Signal Kin:</b>	30 degrees south -- 30 degrees east -- <b>mirror</b> 30 degrees south -- 120 degrees east -- <b>night</b> 30 degrees south -- 150 degrees west -- <b>star</b> 30 degrees south -- 60 degrees west -- <b>skywalker</b>
<b>Gateway Kin:</b>	60 degrees south -- 15 degrees west -- <b>wizard</b> 60 degrees south -- 75 degrees east -- <b>storm</b> 60 degrees south -- 165 degrees east -- <b>seed</b> 60 degrees south -- 105 degrees west -- <b>moon</b>

Planet holon complete. Now ready to function as galactic receiver-transmitter.

## Human Holon

(outside center Journey Board, cross-reference Chromatic Arrangement)

By the power of turning, the icosahedron of the planet holon codes the 20 fingers and toes, establishing the human holon. The power of the fifth force codes the five centers of the human holon. The human holon now has the powers of galactic motion.

Five circuits connect the five centers of the human holon with the five sets of fingers and toes. These five circuits are coded by the five galactic-solar cells of Kinich Ahau. Through this solar-planetary 0-19 coding of the fifth force within the human holon come the five Earth families that code the five castles of destiny: the polar Earth family, the cardinal Earth family, the core earth family, the signal Earth family, and the gateway Earth family.

In this way the 20 tribes of time establish themselves as the five Earth families according to the galactic fifth force. Timeship 2013 now has her cargo of Earth families and for 26,000 years is to be known as Timeship Earth 2013.

Following the law of the overtone fifth the five Earth families code the 20 wavespells of galactic time with the 260 galactic gateways, the passages of galactic birth for the planetary kin of planet Earth. In this way everyone born on planet Earth comes through a galactic gateway -- date of birth -- and has the potential of assuming a galactic signature and becoming one of the planetary kin.

The coordinates of the Timeship established according to the geography of planet Earth, it is now possible to create the coordinates for the third-dimensional space suits.

The four chromatics are assigned to the hands and feet:

yellow chromatic	--	right hand
red chromatic	--	right foot
white chromatic	--	left hand
blue chromatic	--	left foot

Following the law of the overtone fifth the five solar seals of each chromatic code the finger and toes in the following way:

Polar kin:	bar	--	thumbs and big toes
Cardinal kin:	one dot	--	index fingers and second toes
Core kin:	two dot	--	middle fingers and third toes
Signal kin:	three dot	--	ring fingers and fourth toes
Gateway kin:	four dot	--	little fingers and little toes

The vertical axis corresponds to the five clan functions held by each of the Earth families:

Polar kin:	bar	--	Crown	--	receive
Cardinal kin:	one dot	--	Throat	--	transmit
Core kin:	two dot	--	Heart	--	transduce
Signal kin:	three dot	--	Solar Plexus	--	receive
Gateway kin:	four dot	--	Root	--	transmit

At the moment of birth the human holon imprints the third dimensional genetic space suit. The sense organs and pleasure centers of the space suit are the connecting points between the third-dimensional space suit and the fourth-dimensional holon.

## The Fifth Force: The Power of the Thirteen Galactic Tones

Once on Earth, the power of the 20 tribes in their different capacities is moved through the thirteen lunations that distinguish the orbit of the third planet. Through the 13,000 Dreamspell years of the dragon genesis, the thirteen lunations keep the planetary kin in the galactic dream-time. Third-dimensional space suits are tested and their liaison to the fourth-dimensional holon made firm.

Then through the **monkey genesis**, the kin begin to gear up for their task: to set the third planet firmly in the synchronization module of the fifth force. Already the fourth and fifth planetary missions have destructed. To keep the planetary deterioration from taking the third planet with them and so destroying Kinich Ahau's chances of sounding the galactic chord the planetary kin must stabilize the Earth.

The thirteen tone synchronization module is to be established. Once in place as the universal timing device, the planetary kin will be able to act as one organism in contact with itself anywhere on the planet. Once this has been established, then the Earth-Uranus time tunnel chromatic can be attempted.

But it is a tricky task. The rupture of galactic-in, solar-out flow is even deeper than anticipated. While Earth must carry Mars' orbital flow to maintain the Earth transfer cell, the Maldekian rupture is between the inner five and outer five planets, the midway transfer cell.

At the arrival of the **moon genesis**, -3187 Dreamspell years, forces on Jupiter block the influx of galactic holon information: the synchronization module and 100 patterns of destiny for creating the wavespells and magical powers to assist the planetary kin in their task.

Impostor priests on Earth substitute the 12:60 ratio for the intended information. Instead of the magic of following thirteen moons, a non-circulating 12-month calendar is substituted; instead of the beauty and power of magical flight, the 60-minute hour. The result is disastrous. The third-dimensional space suits are simultaneously deprived of direct holon contact and taught to believe that they are independent of the holon.

At the same time, since the sense and pleasure organs are the access points to the holon, sexual shame is introduced. The third-dimensional ego is then strengthened and fortified in its beliefs of separateness.

Civilization advances. Civilization: the effort at maintaining the space suit at the expense of the holon. Galactic memory dims. Legislation replaces free will pleasure. War, death, privilege, poverty, and rape of the Earth become the order of the day.

Now the question: will Earth the third world become the third planet to become a galactic slum in the Kinich Ahau system? Or will the planetary kin wake up to the call of the fifth force and by some collective heroic act restore themselves to their original destiny: the rainbow nation of five Earth families and four root races?

Operating within the galactic synchronization module, can the rainbow nation pacify planet Earth and hold the orbital mission of Timeship Earth to establish the chromatic fifth time tunnel between Earth, the third orbit, and Uranus, the eighth? Will Kinich Ahau finally sound the galactic fifth chord by the fateful year 2013? Or will Kinich Ahau, a small unpretentious star merely fade into the galactic night incapable of rising to the occasion?

Only you hold the answer.

## **The Wavespell: What it is**

The wavespell is the module of galactic time through which the 20 tribes move. The thirteen articulations of the wavespell recapitulate the thirteen tones of creation. These thirteen tones of creation synchronize the thirteen lunations of planet Earth into the 13-moon calendar.

The 13-moon calendar measures the annual cycle of third-dimensional time. Because thirteen is a function of the overtone fifth, the 13-moon calendar can synchronize third-dimensional with fourth-dimensional time, while the non-circulating 12-month calendar cannot. The 13-moon calendar is the accurate basis of galactic time for planet Earth.

The 12 month calendar is the consequence of the 12:60 ratio imposed at -3187 Dreamspell years. With no basis in or capacity for measuring galactic time, the 12-

month calendar is actually a third-dimensional prison keeping the four root races separate and at war with each other.

Only by breaking down the walls of this prison and returning to the 13-moon calendar can the four root races meet their destiny to become the rainbow nation. Only a rainbow nation on planet Earth can meet the 2013 synchronization deadline of Kinich Ahau for the sounding of the galactic fifth chord.

The power of the overtone fifth coordinates the four root races, generating the four-wavespell, 52-kin castle of destiny. Every planetary kin completes a castle of destiny in 52 years. The 20 wavespells expand the castle of destiny by the power of five creating the five castles of Timeship Earth 2013.

The powers of the 20 solar tribes code the 20 wavespells of the 260-kin galactic spin. The 260-kin galactic spin coordinated with the 365 kin of the annual solar-lunation cycle create the 260 galactic gateways of the planetary kin. The five castles of destiny accommodate the 260 galactic gateways of the planetary kin.

## **Perpetual 13-Moon Calendar and Thirteen Galactic Tone Wavespell** (Galactic Compass slipcover)

No planetary kin of the rainbow nation can achieve the goal of launching Timeship Earth 2013 without following the 13 moons. The 13-moon calendar is the synchronization module for establishing the planetary kin as one organism in contact with itself anywhere on the planet.

The thirteen moons recapitulate the thirteen galactic tones of creation. Each moon of the 13-moon calendar operates by the same four week, 28-day code. The 52 weeks of the thirteen moons recapitulates the harmony of the 52-kin castle of destiny. The 13-moon calendar is perpetual and regular.

The synchronization of galactic-solar time occurs on July 26. The thirteen moons of 28 days each equal 364 days, one day short of the solar round of 365 days. Green day, July 25th, is the 365th day of the solar round. Green day operates according to the law of the overtone fifth, bringing the power of galactic movement into third-dimensional time.

The thirteen galactic tones of creation together form the cosmology of movement. The cosmology of movement is called a wavespell. Without the wavespell, the holons of the 20 solar tribes would become increasingly entrenched in their third-dimensional space suits. Through following the thirteen tone cosmology of movement, the 20 tribes and four root races are capable of traveling anywhere through time, and of entering other dimensions.

## Adventure Wavespell (outside top leaf **Oracle Board**)

The wavespell of galactic time is charged with its own action commands. The wavespell action commands take the form of movement through gates, towers and chambers because each wavespell is one quarter of a castle. These action commands provide the planetary kin their code of adventure.

The adventure wavespell can be used to plot action over any cycle of time operating by the wavespell: thirteen days, thirteen moons, thirteen year, etc. In following the 260-kin galactic spin, use your solar seal chips on the Adventure Wavespell to chart your course.

The names and functions of the gates, towers and chambers are taken from the thirteen galactic tones of creation.

Tone 1	Magnetic Gate, point of entry	identify purpose	what is my goal?
--------	----------------------------------	------------------	------------------

### Establish base of action:

Tone 2	Lunar Chamber, first chamber	identify challenge	what are the obstacles?
--------	---------------------------------	--------------------	----------------------------

Tone 3	Electric Chamber, second chamber	identify service	how can goal be attained?
Tone 4	Self-Existing Chamber, third chamber	identify form	what is the form of action?
Tone 5	Overtone Tower, command post	take command	gather resources.

### **Extend rhythm of action:**

Tone 6	Rhythmic Chamber, fourth chamber	command equality	administer challenge.
Tone 7	Resonant Chamber, fifth chamber	command attunement	attune service to action.
Tone 8	Galactic Chamber, sixth chamber	command integrity	action attains form.
Tone 9	Solar Tower, mobilization post	formalize action	action set into motion.

Tone 11	Spectral Chamber, eighth chamber	liberation of service	action dissolves service.
Tone 12	Crystal Chamber, ninth chamber	cooperation of form	round table meets, past action formalized, future action prepared.

### **Transport:**

Tone 13	Cosmic Gate, exit point	take magic flight	magnetic return.
---------	----------------------------	-------------------	------------------

## **Pulsar Code**

(outside bottom leaf **Oracle Board**)

The integration of the wavespell field of time is a function of the four pulsars. The pulsars show the unity of the four dimensions through time and hold true for any scale, thirteen days, thirteen moons, etc. While following the galactic spin use your solar seal chips to plot time relations.

The movement of the four pulsars of fourth-dimensional time is coded to the movement of the four colors through the castle of destiny and of the 20 solar seals through the 260-kin galactic spin. There are four pulsars per wavespell, sixteen per castle, 80 per galactic spin.

### **The four pulsars**

**Fourth dimension pulsar:** dimension of time

Tones: 1-5-9-13

magnetic gate, overtone tower, solar tower, and cosmic gate unified.

**First dimension pulsar:** dimension of life

Tone 2-6-10

lunar, rhythmic and planetary chambers unified.

**Second dimension pulsar:** dimension of the senses

Tones 3-7-11

electric, resonant and spectral chambers unified.

**Third dimension pulsar:** dimension of mind

Tones 4-8-12

self-existing, galactic and crystal chambers unified.

There are five overtone pulsars that follow the law of the galactic fifth. The overtone pulsars are a function of the dot-bar galactic notation code and determine the appearance of the Earth families within the wavespell.

### **The five overtone pulsars:**

**Magnetic overtone:** one dot

Tones 1-6-11

**Lunar overtone:** two dots

Tones 2-7-12

**Electric overtone:** three dots

Tones 3-8-13

**Mind-time overtone:** four dots  
Tones 4 and 9

**Time-life overtone:** bar  
Tones 5 and 10

Read the five overtone pulsars along with the four dimensional pulsars to enrich your Dreamspell Oracle readings and all of your relations.

## **26-Year Countdown Timeship Earth 2013: Awakening the Rainbow Nation (Compass Slipcover)**

The purpose of the 26-year countdown is to keep you on track and to give you a gauge for moving toward the goal of launching Timeship Earth 2013.

Two wavespells, one clockwise, the other counterclockwise, create the 26-year countdown. Each of these wavespells recapitulates the thirteen galactic tones of the Adventure Wavespell.

In the four corners are the four gateway seals -- red **moon**, white **wizard**, blue **storm**, and yellow **seed**. Each year of the 26-year Countdown is coded by color to one of these four gateway seals.

The wavespell that runs 1987 through 1999 is clockwise because it represents the exhaustion of the Dreamspell of History. Third-dimensional time runs clockwise; fourth-dimensional time runs counterclockwise.

The counterclockwise wavespell running from 2000 to 2013 represents full entry into the fourth dimension and galactic time.

Beginning August 16, 1987, the Harmonic Convergence, the Dreamspell of History began its reverse spin. At the rate of three years a day, 80 years a lunar month, 1,040 years a solar year, by July 26, 1992, the exponential reversal of history reaches the critical point of -3187 Dreamspell years. By the year 2000 the reversal reaches -10,987 Dreamspell years. At this point the reverse spin will be complete.

The flip from clockwise to counterclockwise spin between 1999 and 2000 signifies the pole shift -- the successful reversal of history and mechanized time and the reopening of the fourth-dimensional Earth/Uranus time tunnels.

In the 26-year countdown, all years are galactic-solar, July 26-July 25. Use the Galactic Ephemeris of your Galactic Compass to correlate galactic-solar years with

their corresponding wavespell positions beginning 1987, 8 wizard; 1988, 9 storm; 1989, 10 seed, etc.

The first thirteen years form a wizard sequence, where the wizard years hold the four positions of the fourth-dimensional time pulsar. The second thirteen years are a storm sequence where the storm years hold the four positions of the time pulsar. Following pole shift 2000, the storm wavespell normalizes time into the counterclockwise galactic spin.

Note: the year preceding the Time Shift, July 26, 1992, is the solar tower held by **12 wizard**. Action to reverse the Dreamspell of History begun in the **8 wizard** year, 1987, is climaxed at a "round table" leading to preparation for the Time Shift.

The year of the Time Shift, **13 Storm**, 1992, occurs in the galactic chamber of the wizard wavespell. The Time Shift is marked by the gathering and mobilization of the awakened planetary rainbow nation.

The rainbow nation Earth clean-up campaign runs from the galactic chamber, 1992, through the overtone tower, **3 wizard**, 1995, becoming permanently established in the self-existing chamber, **4 storm**, 1996.

The last three years of the wizard wavespell, 1997-1999, will lay the ground for pole shift 2000. This period is marked by the reunion of the ego and the holon through a great increase of sensory pleasure. The pole shift 2000 will witness the opening of the Earth-Uranus time tunnels and the appearance of the Earth's fourth-dimensional rainbow body.

During the storm wavespell, AD 2000-2013, planetary action can be plotted according to the four dimensional pulsars. This is the time for the rainbow nation to test-drive the fourth-dimensional Timeship.

Following completion of the storm wavespell, the launching of Timeship Earth 2013 occurs at July 26, 2013, **8 seed**. The sounding of the galactic fifth chord will occur. The star system Kinich Ahau will be fulfilled. What follows is beyond present third-dimensional imagination.

## **Call of the Earth Families**

Polar kin sound the chromatics  
Cardinal kin establish the genesis  
Core kin mine the tunnels  
Signal kin unravel the mystery  
Gateway kin open the portals

Which is your family?  
Which is your way?

## Shield of the Galactic Fifth Force

(outside left leaf **Oracle Board**)

This is the emblem of the self-creating power of the galactic fifth force. Its two polar movements generate an eight-sided figure reflecting the galactic power of eight, against a ground showing the four color constants of the four cosmic root races of the rainbow nation.

### Polar Kin and the Spectral Spin

In the **Book of Kin** the four tribes of the polar Earth family code the galactic spin in four equal parts, called spectra or galactic seasons:

Red galactic spectrum:	season of the <b>serpent</b>
White galactic spectrum:	season of the <b>dog</b>
Blue galactic spectrum:	season of the <b>eagle</b>
Yellow galactic spectrum:	season of the <b>sun</b>

Each spectrum equals 65 kin or one quarter of a 260-kin galactic spin. These four quarters of 65 kin each are the four galactic "seasons." Each season recapitulates the transformative power of the root elements: yellow fire, red blood, white truth, and blue sky.

In the **Book of Kin** each of the four polar Earth family kin appears four times in one of four roles distinguishing the creative capacity of the galactic spectra:

<b>Tone 3</b> polar Earth family	establishes one of the four galactic spectra.
<b>Tone 10</b> polar Earth family	extends one of the four galactic spectra.
<b>Tone 4</b> polar Earth family	converts one of the four galactic spectra.
<b>Tone 11</b> polar Earth family	transports one of the four galactic spectra.

Each 65-kin spectrum consists of thirteen chromatics:

<b>Tone 3</b>	establishes 20 kin (four chromatics)
<b>Tone 10</b>	extends 20 kin (four chromatics)
<b>Tone 4</b>	converts 20 kin (four chromatics)
<b>Tone 11</b>	transports 5 kin (one chromatic)

Each of the four galactic spectra can be transposed into one of the four wavespells of the Castle of Destiny, where one kin equals one five-kin chromatic.

The four chromatics beginning with tones 3, 10, 4 and 11 correspond respectively to the Castle of Destiny.

There are 52 five-kin chromatics to a spectral spin. The spectral spin compresses the 260 kin of the galactic spin into 52 kin. Because the beginning of the spectral spin, 3

serpent, is discontinuous with the beginning of the galactic spin, **1 dragon**, its compressed overtone stitches one galactic spin to the next. The polar kin, white **dog**, is the spectral agent crossing from one galactic spin to another.

The polar Earth family which carries the power of the spectral kin have their positions on Timeship Earth at the North Pole. It is here that the influx of galactic breath is received. It is at the South pole, guarded by the gateway Earth family, that the solar out breath occurs.

One of the first goals of the rainbow nation is to understand the relationship between the four-dot gateway Earth family and the bar polar Earth family. The visible release of the rainbow body of the Earth hinges on this understanding. The sounding of the galactic fifth chord of Kinich Ahau is protected by this understanding.

## BOOK OF KIN

The book of Kin presents the spells that hold the keys to magic flight. Mastery of Dreamspell and the launching of Timeship Earth come about through magic flight, time travel. Through time travel, what was unconscious, warped by the 12:60 ratio, or otherwise negative in consequence, can be reversed and released.

For 20,800 Dreamspell years, through the time of the **monkey genesis**, humans lived in relative order and harmony as the four cosmic root races. The red race spread itself out over the Americas, the white race had migrated into the subcontinents of India and Europe, the blue race spread across Africa and into Oceania, while the yellow race had settled the great expanse of Asia.

Planet Earth, -3187 Dreamspell years. Shadow forces from Jupiter and Saturn, usurpers of the lost planet of Maldek, have infiltrated the budding urban zones of Mesopotamia. The free will experiment on planet Earth that was to correct for earlier errors and mishaps on Maldek and Mars is aborted. Male priests, many of them eunuchs, all in robes, present with feigned authority the calendar of the 12:60 ratio.

It was not just a calendar that the priests had created, but a spell, the Dreamspell of History. So mighty and powerful was the spell, for it was charged with vehement energy by the Jupiter-Saturn alliance, that its effect was felt throughout the Timeship. The spell of certain death, the spell of male authority, the spell of powerlessness fell like lengthening shadows across the four cosmic root races.

Like a wedge, the third-dimensional power of the 12:60 ratio was driven between the physical life-form and the fourth-dimensional holon. The epic struggle of history had begun.

Co-opted by male religious leaders, the fourth dimension came to be called names like "heaven," "paradise," "nirvana," while the projection of free will disempowerment came to be known as "god."

Yet, as civilization progressed and spread under the growing power of the 12:60 ratio, the fourth-dimensional holons never ceased operating by the 13:20 ratio -- 13 moons, 20 solar tribes.

By the dawning of the Age of Transformation, the final 260 years of the 26,000 year Dreamspell, the wedge between the fourth-dimensional holons and the third-dimensional egos had grown so great that most people had come to doubt the very existence of the fourth dimension.

The Timeship already in hibernation, the time-power accruing to the fourth-dimensional holons had begun to turn into a vast untapped hoard. Should this stored hoard ever be tapped it would be released as unprecedented magic power. But only free will can tap this stored hoard, for it is a stored hoard of galactic free will power.

This is why the **Book of Kin** is known as the "Galactic Epic of Free Will." The Dreamspell of History shatters. The Time Shift arrives. Abandon the calendar of the 12:60 ratio and return to your own free will. Your stored hoard of unused free will galactic time credits awaits you.

Do not lose heart. Though the world of the 12:60 ratio is in a shambles, and brother fights against brother, the codes of the Book of Kin contain the immediate harmony of the new time. Each time cell harmonic recapitulates the working together of the four cosmic root races. Pace yourself through the harmonics and wavespells of the **Book of Kin** and the magic of synchronicity will increase greatly on your behalf.

Re-enter the Dreamspell of magic. Retrieve your galactic signature from the Book of Kin. Invoke the magical power of your planetary kin. Empower your imagination to re-invest your holon with the power of magical flight. Send your holon on missions of time piracy and plunder on behalf of Timeship Earth 2013. Play the Dreamspell Oracle of Destiny and attain the victory of galactic time.

Use the Galactic Compass and locate the day within its wavespell and castle. Lay out and read the Oracle of Destiny. Go then to the Book of Kin and begin to track the galactic gateways of fourth-dimensional time. Track the days, kin after kin in both the Book of Kin and the Journey Board.

With the Harmonic Index, unlock the hidden codes and time credits of each galactic gateway. Gather your tribes and Earth families. Reconstruct the memory of the four cosmic root races and as the rainbow nation release the planet from the grip of third-dimensional time. Recover your own free will. The art of planetary time is no different from the course of your own life. The chord of Kinich Ahau is ready to resound. The Timeship awaits its launching.

## **TIMESHIP EARTH 2013**

### **The Planetary Art of Galactic Time**

Earth is a timeship, a planetary holon voyaging through galactic time.

Time is the **g-force**, the galactic fifth force. The g-force contains space. Time is not how long it takes to get from one point in space to another. Time has no beginning or end.

Time is the fourth dimension. The g-force is the fourth-dimensional order of reality. The structure of fourth-dimensional time is the holon. The galaxy is organized as a holon. Everything within the galaxy is also organized as a holon.

Earth rides the g-force. The Earth holon synchronizes with the solar holon of its local star, the Sun. The relationship of the Earth holon to the solar holon is determined by the different g-force ratios or fractals that interlink galaxies, star systems, and planets.

Humankind with its 5.2 billion individual members constitutes a potential Earth holon. To become an Earth holon, each member of the human race must become autonomous, self-organizing, and self-synchronous.

As long as the option to become holonomic is ignored, the level of entropy among the human race expands. The entropic expansion of humankind is at its own expense and to the detriment of the planetary environment. Riding the g-force, the Earth's destiny is to become syntropic rather than entropic.

Syntropy governs holonomy. Syntropy is the law that individual holons increase their energy by turning together in ever-greater interdependence. Holonomy without autonomy is entropy, the dissipation of energy.

To become syntropic humans flowering within the planetary holon is to synchronize with galactic time. Currently humans are incapable of syntropy because they are not synchronized within galactic time. Galactic time is to contemporary humans what the heliocentric view of the solar system was to medieval humans.

Humans must synchronize with galactic time and become designers of timeship Earth. Riding g-force Earth, humans are actually time travelers. Because of their limiting third-dimensional beliefs, humans mistakenly explore space instead of time.

All current human systems of time reckoning are based on a 12:60 ratio which creates a twelve month year and a sixty minute hour. This ratio is taken from the 360 degrees of a circle and not the 365-day rotation of the Earth around the sun. The

365-day rotation naturally divides into thirteen 28-day sequences which correspond to the thirteen lunations occurring during one solar year, plus one extra day, the circulating plus one factor, July 25th of the current solar calendar.

Denying the power of thirteen, the twelve month calendar used by the civilized world is a patriarchal device for keeping track of holidays. In the industrial world the twelve month calendar is a template for converting time into money. Of the many calendars used by humans, none takes into account the unity of planetary and galactic time.

The Gregorian calendar exemplifies the illogical distribution of days per month. Instead of thirteen months of 28 days each, the Gregorian calendar distributes the thirteenth month as extra days randomly added to eleven of the twelve months. In use worldwide, the Gregorian calendar is rooted in a belief system held by only 30% of humanity. To continue to use this calendar without regard to its effects can only result in global catastrophe.

Not having understood the fourth-dimensional nature of time, humans have not understood calendars. A calendar is a template of time. The purpose of a calendar coordinated with galactic time is nothing less than the complete syntropic organization of life.

All of life in the galaxy is synchronized according to the fractal ratios of the g-force. The galactic calendar is the template connecting daily human life with the order of the g-force.

As a third-dimensional frame of time, the Gregorian calendar is warped by its logical inconsistencies. Trying to understand time from the warped frame of the Gregorian calendar is like telling a prisoner that the world seen through the bars of the jail window is the whole picture.

In actuality, the time frame of the Gregorian calendar has resulted in the creation of a third-dimensional time warp called materialism. Living out this time warp, contemporary humans condemn themselves to a world of increasingly insurmountable problems. By their own third-dimensional standards, humans are on a path of entropic self-destruction.

In order to ride the g-force and participate in the design of Timeship Earth, humans need only correct their calendar by synchronizing it to the galactic spin. By doing this they will have the opportunity to break out of the time warp.

Released from their materialistic time warp, humans will be able to address their problems from the galactic perspective. Once they have understood and resolved their problems through application of the self-organizing principles of the galactic calendar, they will then be able to practice the planetary art of galactic time.

Timeship Earth is a self-evolving planetary holon. This fourth-dimensional planetary holon possesses a design and field of motion encoded with solar-galactic information.

The information coding the planetary holon is the same information encoded in the galactic calendar. Humans using the galactic calendar can simultaneously tune into the design of the planetary holon. By tracking the galactic calendar and tuning in to the planetary holon, humans become part of Earth's design team.

Riding the g-force and synchronizing with the larger galactic order, Earth's frequency inevitably changes and its poles shift. The Earth's current frequency is 7.8 Hz. Beginning August 16, 1987, the Earth's resonant frequency has become increasingly dissonant. The dissonance is due to the inadequacy of the human's third-dimensional mind field in relation to the Earth's fourth-dimensional planetary holon.

By its own timing, Earth is now approaching a higher frequency level, 8.0 Hz. When the frequency reaches 8.0 Hz, Earth will experience a pole shift in order to stabilize the new frequency. At 8.0 Hz timeship Earth will be streamlined to operate according to galactic standards.

To take advantage of the frequency increase and the imminent pole shift, humans must first experience a time shift. The time shift will mark that point when humans correct their own calendar returning it to its original thirteen month, 52 week cycle. Synchronized with the galactic calendar, this solar-lunar Earth calendar will function as a conversion template.

Eight annual cycles of the new solar-lunar Earth calendar, running from July 26, 1991 to July 25, 2000, will provide the time necessary to convert from materialism to the planetary art of galactic time. The pole shift will be the culmination of this conversion template calendar.

By July 26, 2000, timeship Earth will be launched for a thirteen year spin through fourth-dimensional galactic time. The adventure this holds for humanity is inconceivable within the limited understanding of third-dimensional time. This adventure will be the result of the conversion of "time is money" to "time is art."

The difference between time as money and time as art is the difference between time as quantity and time as quality. The holon is the key to returning quality to time. The holon is to galactic time what the machine is to mechanized time.

Every human is born with a third-dimensional body and a fourth-dimensional holon. The physical body is the biological conductor. The holon is the time transport unit. The body and its holon are inseparable.

The biological conductor sustains the sensory nervous system, the human instrument for processing the full range of experience. The experience of the body is synchronized within the fourth-dimensional holon. The holon is the physical body's galactically coded experience in time. The body in time with its holon is art.

At present humans are not aware of their holons and as a result have no accurate way to connect with them. **The Book of Kin: Galactic Epic of Free Will** is a set of

260 commands for synchronizing the human holon with the planetary, solar and galactic holons.

**The Book of Kin, Journey Board, Oracle Board** and **Galactic Compass** are design tools. Using these design tools in phase with the Time Shift July 26, 1992, the planetary art of galactic time flowers as an evolutionary reality.

Time is now for Timeship Earth 2013.

## **GALACTIC COMPASS DIRECTIONS**

The Adventure of Using the Galactic Compass and Entering Fourth-Dimensional Time

The white side of the compass is the Galactic Ephemeris for AD 1754 to 2013. On the outer rim is a sequence of 52 galactic gateways. Each of these galactic gateways is a combination of one of thirteen tones (1-13) and one of four solar seals, e.g. 8 wizard, 9 storm, 10 seed, 11 moon, etc. For any year on the Ephemeris, each of the 52 galactic gateways correlates to one date only: July 26.

1. Using the Galactic Ephemeris: Write down the date you want to look up. If the date you seek is before July 26th, look up the previous year.

2. Finding the Year: Find the year you are seeking and follow the row to the outer edge. Write down the tone number and solar seal name. Using the Kwik Reference Card look up the tone notation and the solar seal. Turn compass over.

3. Find 07.26 on the green outer ring (see diagram below). Find the tone from step two on the yellow ring and align it with 07.26. Hold the yellow ring in this position.

4. Finding the Correlate Date: On the green ring, find the boldfaced correlate date closest to the date you seek. Note the tone on the yellow ring immediately below the correlate date.

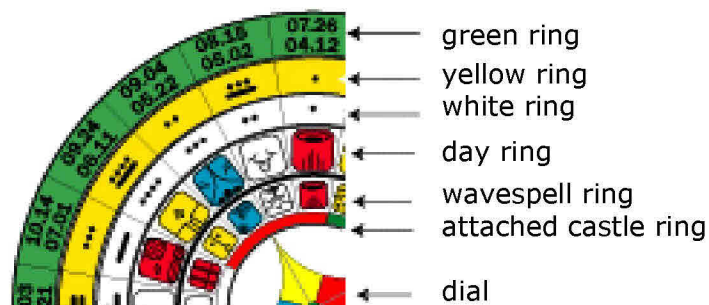

If the yellow ring goes blank before the correlate date, find tone seven. Put your thumb on the green position above and to the left of tone seven. Now move the yellow ring so that tone one is in the position held by your thumb. Note the tone immediately below the correlate date. Hold the yellow ring in this position.

5. Matching the Tones: Move the white ring so that the tone matches the yellow tone below the correlate date from step four. There are now two matching tones beneath the correlate date on the green ring. Hold the green, yellow and white rings in this position.

6. Finding the Galactic Gateway: On the day ring of the twenty solar seals, find the solar seal from step two. Line up that solar seal beneath the two matching galactic tones from step five. you now have the galactic gateway for the green ring correlate date. You may now let go of the Yellow and Green Rings.

7. On the white ring and the day ring each tone and each solar seal represent one day. Starting from the tone and solar seal of your correlate date, you will now count on the day ring to find the date you seek. If the date you seek is after the correlate date, count each seal to the left (counterclockwise) until you arrive at the date you seek. If the date you seek is before the correlate date, count each seal to the right (clockwise) until you arrive at the date you seek. The solar seal that you land on and the tone immediately above it are the galactic gateway of the date you are seeking!

Note: should the solar seal of the day you land on have a white space above it, use the following procedure. The blank spaces on the white ring represent half of a wavespell either preceding or succeeding, depending upon the direction you come from. If you are counting left (counterclockwise) the blank space on the white ring next to tone thirteen begins the count of tone one through tone seven of the next wavespell. If you are counting from the right (clockwise) the blank space next to tone one begins the count back from tone thirteen to tone seven of the previous wavespell. Wherever your count stops on the day ring, bring the corresponding tone on the white ring to line up with that solar seal.

Congratulations! The solar seal that you land on and the tone immediately above it are the galactic gateway of the date you are seeking! Now hold the white ring and day ring in the position.

8. Securing the Wavespell: To determine the wavespell of the galactic gateway, find tone one on the white ring and note the seal immediately below. Move the innermost ring (the wavespell ring) until the same solar seals are lined up below tone one. Now two matching seals are lined up below tone one. This solar seal is the name of the wavespell for your desired date.

9. Locating the Castle: The color of the band directly below the tone one wavespell seals identifies the castle in which that wavespell occurs. Without moving any rings, go back to the galactic gateway seal and note that the seal below this (on the wavespell ring) is the guiding power for the seal. The Earth family of any seal can be determined by the four compass points. Use the color dial to find your Earth family. Go to Harmonic Index and Oracle Guide.

February 29 is never counted; just skip over it.
